REGULAR MEETING SUPPLEMENTAL MATERIALS PACKET

DATE: Tuesday, May 28th, 2024

TIME: 10:00 AM – Open Session

VENUE: Robert Trent Jones Room, Pauma Valley Country Club 15835 Pauma Valley Drive, Pauma Valley, CA 92061

Pauma Valley Community Services District Mission

"The mission of the Pauma Valley Community Services District is to protect the public health and environment of its community by providing effective wastewater management and stormwater drainage control, life safety assistance, security services, and exceptional customer care."

Minutes of a Special Meeting of the Board of Directors

Held on April 15th, 2024

Directors Present: Roland Skumawitz, Michael Esparza, Larry Curtis & Richard Collins Directors Absent: Jodie Lawston Also Present: Bruce Knox Treasurer of RPMWC, Zann Villanueva, Charles Mathews, CPA of Nigro & Nigro Paul Kaymark , Ralph Hicks of DPMC, General Manager Eric Steinlicht, and Office Manager Marissa Fehling

- 1. Call to Order: Regular Meeting was called to order at 10:00 a.m. by President Skumawitz.
- 2. Pledge of Allegiance: The Pledge of Allegiance was led by Director Curtis.
- 3. Roll Call: Fehling verified that a quorum was present.
- Public Comment Period: Knox mentioned that he would like to have item 11 pulled from the consent calendar.

Esparza motioned, seconded by Curtis, to move Item 19 for discussion before entering Closed Session (Item 5). The motion carried unanimously.

--CLOSED SESSION--

5. The Board of Directors Will Meet in a Closed Session to Discuss

A. CONFERENCE WITH LEGAL COUNSEL

Potential/Threatened/Anticipated Litigation Significant Exposure to Litigation Pursuant to Government Code Section 54956.9(b) (Two (2) Matters)

B. CONFERENCE WITH LEGAL COUNSEL

Existing Litigation Pursuant to Government Code Section 54956.9(d)(1) Rancho Pauma Mutual Water Company vs Pauma Valley Community Services District (San Diego Superior Court Case No. 37-2023-00038164-CU-BC-NC)

The Board proceeded into closed session at 10:28 a.m.

- 6. Open Session
 - A. Reportable Actions

The meeting was resumed in open session at 11:19 a.m., and there were no reportable actions to be disclosed.

--CONSENT ITEMS--

Items 7-17 appearing on the Consent Calendar may be voted on by single motion. Items shall be removed from the Consent Calendar if any member of the Board of Directors, or the public, requests removal prior to a vote on a motion to approve the items. Such items removed will be considered separately for action by the Board.

- 7. Minutes of the Regular Board Meeting January 22nd, 2024
- 8. Minutes of Special Board Meeting of February 29th, 2024
- 9. Minutes of the Special Board Meeting of March 7th, 2024
- 10. Minutes of the Special Board Meeting of March 19th, 2024

Pauma Valley Community Services District

Minutes of the Board of Directors Meeting

April 15, 2024

- 11. Review of Balance sheet, Revenue, and expense Reports for December of 2023, and January and February of 2024
- 12. Accounts Receivable Reports
- 13. PVCSD Security Reports
- 14. Expense Reimbursement Report
- 15. Employee Benefits Summary
- 16. Professional Services Agreement (PSA) Amendment
- 17. Professional Services Agreement with "Flow Right"

Mathews requested corrections on item 7, the Regular Board Meeting Minutes of January 22nd, 2024. Upon a motion by Esparza, seconded by Curtis and a unanimous vote, items 8 through 10, and 12 through 17 were adopted as presented. Knox informed that the income statement shows the income that was not intended for PVCSD and was payable to RPMWC. Steinlicht informed Knox of the process that was taken to resolve the mistake. Upon a motion by Collins, seconded by Esparza, and a unanimous vote, items 7 and 11 were approved with the corrections made herein.

--ACTION ITEMS--

18. Constituent Challenge of Ordinance 50,54 and Request for Reimbursement The Board of Directors will consider Mr. Zann Villanueva's challenge of Ordinances 50 and 54. Additionally, Mr. Villanueva is requesting that the District Board of Directors authorize reimbursement to him for the cost of his privately hired plumber to investigate an obstruction within his sewer lateral pipe.

Staff Recommendation:

1. Discuss and take action as appropriate.

Steinlicht provided a summary of the challenge the District is currently facing with a customer regarding Ordinances 50 and 54. Mr. Villanueva explained his issue with costly expenses due to a root intrusion and the sewer lateral that conveys wastewater from his home to the District Public Sewer Lateral and Main. Mr. Villanueva informed that he was present for educational purposes regarding Ordinances 50 and 54. Steinlicht explained the ordinances.

 Financial Audit Report for the Fiscal Year Ending June of 2023 The Board of Directors will consider accepting the financial audit report and presentation prepared by Mr. Paul Kaymark of Nigro & Nigro for the fiscal year ending June 2023.

Staff Recommendation:

- 1. Accept the financial audit report for the fiscal year ending 2023.
- 2. Discuss and take other action as appropriate.

Kaymark presented the Financial Audit Report for the fiscal year ending June 2023. Kaymark explained Nigro & Nigro's scope of work and their purpose in the financial audit. Kaymark informed that the ROI explains how to make the district better. The change in USLRGMA was explained and it reflects as a negative due to Yuima's billing timing and moving forward this will not be the case. Kaymark explained the sewer system deletions. Mathews inquired about RPMWC's 90% reimbursement towards USLRGMA investment. Kaymark explained that it is trued up at yearend and explained in the footnotes. Mathews inquired about the CalPERS obligation shown on the Balance Sheet. Kaymark explained. Skumawitz moved to accept and file the Audit Report for the year ending June 30, 2023, seconded by Collins and upon a unanimous vote was adopted.

20. Pump Station Condition Assessment and Redundancy Report

Minutes of the Board of Directors Meeting

April 15, 2024

The Board of Directors will consider authorizing the General manager to approve Carollo's proposal to perform a field-level condition assessment and overall analysis of the lift stations to deliver an actionable plan to better respond to pump station failures, as well as incapacity.

Staff Recommendation:

- 1. Authorize the General Manager to approve Carollo's proposal.
- 2. Discuss and take other action as appropriate.

Steinlicht explained current issues and why he is requesting the Board approve Carollo's proposal to perform a Pump Station Condition Assessment and Redundancy report. Collins questioned if it is possible to look through the manholes to avoid these expenditures. Steinlicht informed that this is already being done by staff. Curtis asked if this expense was within budget, and Steinlicht informed them that it would put the District over budget in this area.

The item was tabled for a future meeting.

21. Authorization of an Emergency Support Services Agreement with Yuima Municipal Water District The Board of Directors will consider authorizing an Emergency Support Services Agreement with Yuima Municipal Water District (Yuima) to allow the District to access Yuima's potable water system via local hydrants in the Oak Tree Community for routine and emergency maintenance activities as it related to the wastewater collection system.

Staff Recommendation:

- 1. Authorize the Emergency Support Services Agreement with Yuima Municipal Water District
- 2. Discuss and take other action as appropriate.

Knox asked Steinlicht why he chose to reach out to Chuck Bandy, President of RPMWC regarding a utility issue. Steinlicht explained that there were numerous outstanding emails with no response from RPMWC's Administrative Manager. Collins requested additional details before approving this item. Esparza asked for a recap of the recent events that led to this approach, which Steinlicht provided. Collins motioned to authorize the Yuima Emergency Support Services Agreement with Yuima Municipal Water District as a backup, only to be used when Rancho Pauma Mutual Water Company is unable to provide services. The motion was seconded by Esparza and unanimously approved.

22. Employee Handbook Update

The Board of Directors will consider approving an amended Employee Handbook developed by former legal counsel, review by current general counsel, which governs several policies for all District Employees.

Staff Recommendation:

- 1. Approve the amended Employee Handbook.
- 2. Discuss and take other action as appropriate.

Steinlicht provided historical information and detailed updates made to the Employee Handbook. Upon a motion by Esparza, seconded by Collins, and a unanimous vote the Employee Handbook approved the amended Employee Handbook.

23. Revised Salary Schedule for the Position of "Office Clerk"

The current salary schedule for the position of "Office Clerk" is non-compliant with San Diego's minimum wage and must therefore be updated to reflect this new minimum wage. Additionally, retaining key talent for this position has been difficult within the range of compensation provided.

Pauma Valley Community Services District

Minutes of the Board of Directors Meeting

April 15, 2024

Staff Recommendation:

- 1. Approve the revised salary schedule "Exhibit B" via resolution.
- 2. Discuss and take other action as appropriate.

Steinlicht provided the current salary schedule ranges for the Office Clerk position explaining the importance of increasing the ranges to retain key talent. Upon a motion made by Esparza, seconded by Curtis, and a unanimous vote, the revised Salary Schedule "Exhibit B" was approved for adoption.

24. Utilize Neste, Brudin and Stone (NBS) to Collect Dues Via the Tax Roll The Board of Directors will consider authorizing the General Manager to approve the contract with NBS to collect District dues via the tax roll.

Staff Recommendation:

- 1. Authorize the General Manager to approve NBS for the collection of dues via the tax roll.
- 2. Discuss and take other action as appropriate.

Steinlicht provided an overview of the advantages of utilizing NBS to collect customer dues via Tax Rolls. Skumawitz requested clarification regarding the feasibility of customers establishing monthly payment plans. Steinlicht clarified that such arrangements would need to be set up within the property tax invoicing. Fehling elaborated on the existing invoicing procedures for monthly customer billing and explained the protocol for addressing delinquent accounts. Curtis expressed a need for further clarification regarding available payment alternatives for customers before approving this proposal. Upon a motion by Skumawitz, seconded by Esparza, and a unanimous vote, Item 24 was tabled for further discussion.

25. Outsource Payroll

The Board of Directors will consider authorizing staff to engage an external company for payroll services aiming to improve efficiency, enhance Human Resources, and allocate staff time more effectively.

Staff Recommendation:

- 1. Authorize the General Manager to outsource payroll operations.
- 2. Discuss and take other action as appropriate.

Steinlicht explained the advantages of outsourcing payroll and human resource operations. Curtis recommended investigating options through QuickBooks Enhanced Payroll. Skumawitz requested staff provide a comparison of several options at a future meeting.

26. Website Revamp and Compliance Implementation

The Board of Directors will consider an immediate or a budgeted effort to revamp the district website in addition to including all mandated compliance requirements for Public Agencies via streamline.

Staff Recommendation:

- 1. Authorize the General Manager to engage Streamline immediately.
- 2. Discuss and take other action as appropriate.

Esparza recommended that staff investigate grant opportunities. Upon a motion by Curtis, seconded by Esparza, and a unanimous vote, the General Manager was authorized to engage Streamline immediately to revamp the District's website.

Minutes of the Board of Directors Meeting

April 15, 2024

--DISCUSSION ITEM--

- 27. Storm Drain Channel Along the Eighth Fairway Update and Report- General Manager Steinlicht This item was discussed earlier in the meeting.
- 28. Solar System Project Status Update General Manager Steinlicht Steinlicht provided a brief update on the Solar System Project Status.
- 29. "Kennedy Communications" Discussions- General Manager Steinlicht Steinlicht informed that he is working with Kennedy Communications regarding a SCADA program for the District.
- 30. Roadway Association Ad-Hoc Committee Update- Vice President Esparza This item was tabled.

--INFORMATIONAL ITEMS-

31. General Manager's Report Steinlicht provided the General Manager's Report.

32. Miscellaneous Items

Vehicle Maintenance Report

- Tesla 01 (61,420) Did not pass visual inspection.
- Tesla 02 (67,497) Did not pass visual inspection.

Tesla 01 has the driver seat trim broken. There are scuffs on the bottom corner of the front bumper and the wrap is sun damaged. The front left tire was patched by Serratos Auto Shop on 03-29-24.

Tesla 02 needs windshield washer fluid. The front driver seat cover is ripped, the wrap is sundamaged, and everything else is in good working condition.

German Colin, Vehicle Maintenance Officer

Gate Report

The switch panel control for the rear and center gates located at the front guardhouse remains unfunctional and requires further electrical work. The "Back Gate Entry License Plate" camera is reading as "offline". The back gate pass scanner remains offline. The computer that runs the front gate Dwelling Live program has ceased to function and has been replaced. Road closures will be handled by the gate guards and patrol. Knox and Gravel yard gates will be used during the front gate closure to admit residents. Patrol officers continue to actively watch and listen for any service or gardening noise violations during the restricted hours of Saturday and Sunday.

Matthew Carson, Gate Supervisor

ACTIVITY LOG

March 11^{th,} 2024 at 2011 – Lift Assist. Officer Aguilar was dispatched to Luiseno Circle Dr for a lift assist. The Officer arrived on the scene. The resident slipped off the couch and needed assistance getting back on the couch. No injuries were obtained. The Officer lifted the resident back onto the couch.

Vehicle Maintenance Report

- Tesla 01 (63,836) Did not pass visual inspection.
- Tesla 02 (69,724) Did not pass visual inspection.

Tesla 01 has the driver seat trim broken, there is a scuff on the bottom corner of the front bumper and the wrap is sun damaged. The rear tires will need replacing soon. The windshield washer fluid is low.

Tesla 02 needs windshield washer fluid, the driver seat cover is ripped, and the wrap is sun damaged.

German Colin, Vehicle Maintenance Officer

Gate Report

The switch panel control for the rear and center gates located at the front guardhouse remains shorted out and requires further electrical work beyond the switching unit to remedy. The "Rear Gate Entry License Plate" camera is reading as "offline". Front gate exit LPR (License Plate Reader) has gone out of focus. The rear gate pass scanner remains offline. Our newest employee in the security department has completed training and has done very well. We've overcome road closures, and regular operations have resumed. Individuals posing as real estate agents made numerous attempts to enter through gates and gather information about a particular resident from the District Office. This coordinated effort involved multiple people. Security will remain on high alert for future incidents.

Matthew Carson, Gate Supervisor

ACTIVITY LOG

- April 11^{th,} 2024 at 1753 Medical. Officer Easter was dispatched to Luiseno Circle Dr for medical. A resident was feeling ill and needed medical attention. Officer Easter arrived on the scene at 1755. Cal Fire and Mercy arrived in 1759. No injuries were sustained. One was transported to Palomar Hospital.
- April 11^{th,} 2024 at 2216 Pauma School 11.53. Officer Colin found the men's restroom unsecured. The Officer cleared the room but was unable to secure the door. Contact to be notified.
- April 12^{th,} 2024 at 2109 Pauma Village 11.53. Officer Colin found a U-Haul door unsecured. The Officer secured the door. Contact to be notified.
- April 12^{th,} 2024 at 2254 Pauma School 11.53. Officer Colin found the men's restroom unsecured. The Officer cleared the room but was unable to secure the door. Contact to be notified.
- April 13^{th,} 2024 at 0148 North Coast Church 11.53. Officer Colin found the video/audio room door unsecured. The Officer cleared and secured the door. Contact to be notified in the morning.
- **April 13**^{th,} **2024 at 1050 Process Server.** Officer Easter escorted a Process Server to Luiseno Circle Dr. The agent was unable to make contact. The Officer escorted the agent out of the community.
- April 13^{th,} 2024 at 1235 Pauma School 11.53. Officer Easter found the M.A.A.C building door unsecured. The Officer cleared and secured the building. Contact to be notified.
- April 14^{th,} 2024 at 1137 Gate Crasher. Officer Orozco was dispatched to the back exit gate for a gate crasher. The vehicle information was documented. The Officer put the barrier arm back into the working position.
- April 14^{th,} 2024 at 1458 Suspicious Activity. Officer Orozco was dispatched to the center gate regarding a man in a truck who was found sleeping due to intoxication. The truck came in contact with the outside gate. CHP and a tow truck were called. The man was removed from the area.
- **April 15^{th,} 2024 at 1005 Public Assist.** Officer Orozco encountered a broken-down Mini Cooper on the highway and assisted the driver, who required help fixing a tire. Serratos Auto Shop was contacted and promptly arrived to assist the driver.
- April 18^{th,} 2024 at 0324 Medical. Officer Colin was dispatched to El Tae Rd for a medical. A resident was having difficulty breathing. Cal Fire and Mercy Medics arrived on the scene. One was transported.
- April 18^{th,} 2024 at 2216 Pauma School 11.53. Officer Colin found the multi-purpose door unsecured. The Officer cleared and secured the building. Contact to be notified.
- April 20^{th,} 2024 at 0830 Resident Request. A resident on El Tae Rd requested a patrol to check his front door to see if he left it unlocked for his guest. Officer Easter confirmed that the resident left the front door unlocked for his guests when they arrived.
- April 21^{st,} 2024 at 1330 Pauma School 11.53. Officer Orozco found the cafeteria door unsecured. The Officer cleared and secured the building. Contact to be notified.
- April 21^{st,} 2024 at 1426 North Coast Church 11.53. Officer Orozco found the double doors, storage door, and office door all unsecured. The Officer cleared and secured all doors. Contact to be notified.
- April 21^{st,} 2024 at 1806 Lift Assist. Officer Aguilar was dispatched to Temet for a lift assist. The officer made contact with the residents. It was reported that the wife had fallen out of her car, injuring her wrist. The resident declined medical attention, Officer Aguilar assisted by lifting the wife and placing her back into the car.

- April 21^{st,} 2024 at 2131 Pauma School 11.53. Officer Aguilar found the Admin Building unsecured. The Officer cleared and secured the building. Contact to be notified.
- April 24^{th,} 2024 at 2110 Pauma School 11.53. Officer Colin found the multi-purpose door unsecured. The Officer cleared and secured the building. Contact to be notified.
- April 25^{th,} 2024 at 1420 Traffic Collision. A traffic collision on Highway 76 WB was reported by Officer Albert. A vehicle collided with the TY Nursery fence. Cal Fire and Mercy Medics were already on the scene.
- April 25^{th,} 2024 at 2052 Pauma Building 11.53. Officer Easter found building 200 unsecured. The Officer cleared and secured the door. Contact to be notified.
- April 25^{th,} 2024 at 2103 Pauma School 11.53. Officer Easter found the multi-purpose room unsecured. The Officer cleared the building but was unable to secure the door. Contact to be notified.
- **April 28^{th,} 2024 at 0352 North Coast Church 11.53.** Officer Colin found the double doors to the chapel unsecured. The Officer cleared and secured the doors. Contact to be notified.
- April 28^{th,} 2024 at 1122 Gate Crasher. Officer Orozco was dispatched to the back gate for the gate crasher. A red Tesla came in contact with the barrier arm. The vehicle information was documented and sent to the office. The barrier arm was put back into working position.
- **April 28**^{th,} **2024 at 1516 Resident Concern.** Officer Orozco received a report from a resident regarding a dump truck speeding through the community. The Officer was UTL.
- April 28^{th,} 2024 at 1518 Break In. Officer Orozco entered through the rear gate and was informed by a service worker that his truck had been broken into, with smashed windows and open doors. Officer Orozco requested for Sheriffs to be called. The service worker declined to make the call and will move his truck.
- **April 30**^{th,} **2024 at 1101 Gate Crasher.** Officer Orozco found the back entrance barrier arm down while patrolling through the community. The Officer put the barrier arm back into the working position. The vehicle information was documented.
- April 30^{th,} 2024 at 1130 Noise Complaint. Officer Orozco was dispatched to Luiseno Circle Dr for a noise complaint. The Officer spoke with the resident and politely asked to keep the yelling down.
- **April 30**^{th,} **2024 at 1917 Resident Concern.** Officer Aguilar was dispatched to the greens maintenance property for a possible break-in. A resident who lives on-site reported a silver Mustang attempting to enter the property by punching in a gate code. The resident instructed the driver to leave. Officer Aguilar was unable to locate the vehicle inside the community. The vehicle is a guest of a resident. The resident will be contacted.
- May 1^{st,} 2024 at 1419 Trespassing. Officer Easter and Officer Albert went to the maintenance of the greens to speak with the manager about an attempted break-in. The manager explained that on Monday a resident on Luiseno Circle Dr came down to the workshop with a gas can asking for gas but was denied. Then the following evening, a woman driving a silver Mustang was observed on private property attempting to enter a gate code to access some gas in the work garage. When she was approached, she was instructed to leave the premises. Both Officers will debrief the resident about the unauthorized entry attempt.
- May 1^{st,} 2024 at 1442 Trespassing. Officer Easter and Officer Albert made contact with a resident regarding an incident that occurred on Monday. The resident was informed that trespassing on private property for gasoline, as well as allowing guests to do so, is prohibited. They were advised that failure to comply

would result in notification to the Sheriffs, potentially leading to arrest. The resident complied and the incident wouldn't happen again.

- May 1^{st,} 2024 at 1157 Unsecured door. Officer Orozco found the McMillan gate unsecured inside PVCCE. The Officer secured the gate. Contact to be notified.
- May 2^{nd,} 2024 at 2112 Resident Concern. Officer Colin was dispatched to PVD to a residence following a call concerning a grandson experiencing a mental breakdown. Upon arrival, the Sheriffs engaged with the grandson, who reported back and neck pain from previous injuries. Medical assistance was contacted. The grandson was transported for further evaluation and care.
- May 3^{rd,} 2024 at 0237 North Coast Church 11.53. Officer Colin found both chapel doors and the rooted k-2nd door unsecured. The Officer cleared and secured both buildings. Contact to be notified.
- May 3^{rd,} 2024 at 1938 Saint Francis 11.53. Officer Orozco found a black briefcase at the church premises. The owner was contacted and retrieved the briefcase under Officer Orozco's supervision.
- May 4^{th,} 2024 at 1101 Other. Officer Aguilar escorted a realtor to Wiskon Way West. Officer Aguilar successfully escorted the realtor out of the community.
- May 4^{th,} 2024 at 1827 Medical. Officer Aguilar was dispatched to PVD for a medical. A resident was experiencing severe neck pain. The Officer arrived on the scene. Cal Fire and Mercy medics arrived on the scene. One was transported.
- May 7^{th,} 2024 at 1558 Resident Concern. Officer Orozco was dispatched to Temet Rd concerning an individual walking their dog in the pool area. Officer Orozco responded and requested the individual to vacate the premises according to pool regulations and community guidelines.
- May 7^{th,} 2024 at 1632 Loose Pet. Officer Orozco was dispatched to Temet for a loose dog. The owner was notified, and the dog was retrieved.
- May 8^{th,} 2024 at 0640 Medical. Officer Orozco was dispatched to Oak Tree Community for a medical. UTL the address due to no accurate address. The officer was first on the scene. Cal Fire and medics arrived. One person was feeling dizzy. One transported.
- May 8^{th,} 2024 at 1000 Jump Start. Officer Easter was dispatched to Wiskon Way East for a jump start. The jumpstart was successful.
- May 8^{th,} 2024 at 1850 Unsecured Door. Officer Orozco found well # 36 unsecured. The Officer secured the gate. Contact to be notified.
- May 9^{th,} 2024 at 2100 Pauma School 11.53. Officer Easter and Officer Meyer found the multi-purpose door unsecured. The Officers cleared the building but was unable to secure the door. Contact to be notified.

PROFESSIONAL SERVICES AGREEMENT BETWEEN PAUMA VALLEY COMMUNITY SERVICES DISTRICT AND "NBS" FOR THE "FACILITATION AND COLLECTION OF DISTRICT CHARGES VIA THE COUNTY TAX ROLL"

This Professional Services Agreement ("Agreement") is made on this 15th day of April, 2024, between PAUMA VALLEY COMMUNITY SERVICES DISTRICT ("PVCSD"), and the NBS Government Finance Group, dba NBS, ("CONTRACTOR"), an independent company, with a principal place of business in Temecula, California.

ARTICLE 1 TERM OF CONTRACT

1.01 This Agreement will become effective on the date stated above, and will continue in effect until the earlier of the completion of services provided for in this Agreement or until terminated as provided under Article 7.

ARTICLE 2 SERVICES TO BE PERFORMED BY CONTRACTOR

Specific Services

2.01 CONTRACTOR will perform the deliverables within the scope described in Attachment A. CONTRACTOR will provide PVCSD with periodic reports regarding the progress of services performed, at request pf PVCSD. Any changes to the scope of services or timeframes identified in Attachment A must be authorized by PVCSD in writing and shall be set forth as an amendment to this Agreement.

2.02 CONTRACTOR will determine the method, details, and means of performing the above-described services.

Status of CONTRACTOR

2.03 CONTRACTOR and its employee(s) are engaged in an independent contractor relationship with PVCSD in performing all work, duties and obligations hereunder. PVCSD shall not exercise any control or direction over the methods by which CONTRACTOR shall perform its work and functions. PVCSD's sole interest and responsibility is to ensure that the services covered by this Agreement are performed and rendered in a competent, satisfactory and legal manner. The parties agree that no work, act, commission or omission of CONTRACTOR or its employee(s) pursuant to this Agreement shall be construed to make CONTRACTOR or its employee(s) the agent, employee or servant of PVCSD. CONTRACTOR and its employee(s) are not entitled to receive from PVCSD vacation pay, sick leave, retirement benefits, Social Security, workers' compensation, disability benefits, unemployment benefits or any other employee benefit of any kind.

Payment of Income Taxes

2.04 CONTRACTOR shall be solely responsible for paying all federal and state employment and income taxes, for carrying workers' compensation insurance and for otherwise complying with all other employment law requirements with respect to CONTRACTOR or its employee(s).

2.05 To the maximum extent allowable by law, CONTRACTOR agrees to indemnify, defend and hold PVCSD harmless from any and all liability, damages or losses (including attorneys' fees, costs, penalties

and fines) PVCSD suffers as a result of (a) CONTRACTOR's failure to meet is obligations under paragraph 2.04, or (b) a third party's designation of CONTRACTOR or its employee as an employee of PVCSD, regardless of any actual or alleged negligence by PVCSD.

Compliance with Laws/Rules

2.06 CONTRACTOR will perform all services under this Agreement in good faith and in the best interests of PVCSD. In performing the services specified in this Agreement, CONTRACTOR agrees to comply with all laws, rules, regulations and ordinances, whether federal, state or local, and any and all PVCSD policies, procedures, departmental rules and other directives applicable to the services to be performed and provided by PVCSD's Project Manager to the CONTRACTOR, including, but not limited to, PVCSD's Contractor Safety Policies and Procedures. Any changes to PVCSD policies and procedures that relate to CONTRACTOR will be provided to CONTRACTOR in writing. CONTRACTOR agrees to review such policies, procedures, rules and directives the contents of which CONTRACTOR will be deemed to have knowledge.

2.07 CONTRACTOR shall ensure that any report generated under this Agreement complies with California Government Code section 7550.

2.08 CONTRACTOR shall comply with all of the following requirements with respect to any services as a Building/Construction Inspector, Field Soils and Material Tester, or Land Surveyor, as those trades are defined by the California Department of Industrial Relations ("DIR").

2.08.1 CONTRACTOR agrees to comply with and require its subcontractors to comply with the requirements of California Labor Code sections 1720 et seq. and 1770 et seq., and California Code of Regulations, title 8, section 16000 et seq. (collectively, "Prevailing Wage Laws") and any additional applicable California Labor Code provisions related to such work including without limitation payroll recordkeeping requirements. CONTRACTOR and its subcontractors shall pay not less than the prevailing rate of per diem wages as determined by the Director of the DIR for all services described in Section 2.08 of this Agreement and as required by law. The general prevailing wage determinations can be found on the DIR website at: http://www.dir.ca.gov/dslr. Copies of the prevailing rate of per diem wages may be accessed at PVCSD's administrative office and shall be made available upon request. CONTRACTOR shall make copies of the prevailing rates of per diem wages for each craft, classification or type of worker needed to execute the services described in Section 2.08 of this Agreement available to interested parties upon request, and shall post and maintain copies at CONTRACTOR'S principal place of business and at all site(s) where services are performed. Penalties for violation of Prevailing Wage Laws may be assessed in accordance with such laws. For example, CONTRACTOR shall forfeit, as a penalty to PVCSD, Two Hundred Dollars (\$200) for each calendar day, or portion thereof, for each workman paid less than stipulated prevailing rates for services performed under this Agreement by him, or any subcontractor under him, in violation of Prevailing Wage Laws. CONTRACTOR shall defend, indemnify and hold PVCSD and each of their respective officials, officers, directors, employees, agents and volunteers free and harmless from any claims, liabilities, costs, penalties or interest arising out of the failure or alleged failure of CONTRACTOR or its subcontractors to comply with Prevailing Wage Laws.

2.08.2 CONTRACTOR and each of its subcontractors shall keep accurate payroll records showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker or other employee employed by CONTRACTOR or subcontractor in connection with the services performed pursuant to this Agreement. Each payroll shall be certified, available for inspection, and copies thereof

furnished as prescribed in California Labor Code section 1776, including any required redactions. CONTRACTOR shall keep PVCSD informed as to the location of the records and shall be responsible for the compliance with these requirements by all subcontractors. CONTRACTOR shall inform PVCSD of the location of the payroll records, including the street address, city and county and shall, within five (5) working days, provide a notice of any change of location and address. Penalties for noncompliance include a forfeiture of One Hundred Dollars (\$100) per calendar day, or portion thereof, for each worker until strict compliance is effectuated, which may be deducted from any moneys due CONTRACTOR.

2.08.3 Eight (8) hours of work shall constitute a legal day's work. CONTRACTOR and any subcontractors shall forfeit, as a penalty to PVCSD, Twenty-Five Dollars (\$25) for each worker employed in the execution of services pursuant to this Agreement by CONTRACTOR or any of its subcontractors for each calendar day during which such worker is required or permitted to work more than eight (8) hours in any one (1) calendar day and forty (40) hours in any calendar week in violation of the provisions of the California Labor Code, in particular, sections 1810 to 1815, thereof, inclusive, except services performed by employees of CONTRACTOR and its subcontractors in excess of eight (8) hours per day at not less than one and one-half (1½) times the basic rate of pay, as provided in California Labor Code section 1815.

2.08.4 CONTRACTOR'S attention is directed to the provisions of California Labor Code sections 1777.5, 1777.6 and 1777.7 concerning employment of apprentices by CONTRACTOR or any of its subcontractors. If applicable to the services to be performed under this Agreement, CONTRACTOR shall comply with such apprenticeship requirements and submit apprentice information to PVCSD. Information relative to apprenticeship standards, wage schedules and other requirements may be obtained from the DIR or from the Division of Apprenticeship Standards. Knowing violations of section 1777.5 will result in forfeiture not to exceed One Hundred Dollars (\$100) for each calendar day of non-compliance pursuant to section 1777.7.

2.08.5 CONTRACTOR shall require any subcontractors performing services under this Agreement to comply with all of the above.

ARTICLE 3 PROJECT TEAM

3.01 PVCSD has a primary interest in maintaining the individual services of the following key project team members:

1. Greg Davidson et al, CONTRACTOR

No member of the project team shall be removed from the project team or reassigned by CONTRACTOR without prior approval of PVCSD. Such approval shall not be unreasonably withheld or delayed. CONTRACTOR shall be required to immediately inform PVCSD should any of the key members become unavailable. The credentials for substitutes for key project members must be submitted to PVCSD for review and approval. An interview may also be required if so desired by PVCSD.

ARTICLE 4 COMPENSATION

4.01 Compensation for all work performed under this Agreement shall be calculated on a time and materials basis. Compensation for the services described in Attachment A shall not exceed Twenty Five Thousand Dollars (\$25,000). This amount shall not be exceeded unless there is a change in scope of work, in writing and agreed to by both parties and set forth in an amendment to this Agreement. Such amendment shall identify any change in compensation as a result of the change in scope of work. The

parties agree that this compensation was developed in accordance with the customary and prevailing compensation level in the community and surrounding area for comparable services. CONTRACTOR and PVCSD agree that this fee was arrived at through arms length negotiations between the parties.

Payment of Expenses and Monthly Invoices

4.02 PVCSD will reimburse CONTRACTOR for all reasonable expenses incurred in performing services under this Agreement as the work progresses, provided that such reasonable expenses shall be included in and subject to the maximum compensation amount stated above in Section 4.01. CONTRACTOR shall submit invoices to PVCSD'S Project Manager once per month. Such invoices shall include a brief narrative description of the work performed, as well as detailed time expenditures on a task-by-task basis pursuant to Attachment A. The term "expenses" means telephone bills, and federal express charges, mailing charges and any other pre-approved expenses by PVCSD. CONTRACTOR will provide PVCSD with receipts for all expenses. PVCSD shall make payment to CONTRACTOR within forty- five (45) days of receipt of an approved invoice.

ARTICLE 5 OBLIGATIONS OF CONTRACTOR

Non Exclusive Relationship

5.01 CONTRACTOR may represent, perform services for, and contract with as many additional clients, persons, or companies as CONTRACTOR, in its sole discretion, sees fit.

Tools, Materials, and Equipment

5.02 CONTRACTOR will supply all tools materials, and equipment required to perform the services under this Agreement.

CONTRACTOR's Qualifications

5.03 CONTRACTOR represents that its employee(s) has the qualifications and skills necessary to perform the services under this Agreement in a competent, professional manner, without the advice or direction of PVCSD. This means CONTRACTOR is able to fulfill the requirements of this Agreement. Failure to perform all the services required under this Agreement constitutes a material breach of the Agreement. CONTRACTOR has complete and sole discretion for the manner in which the work under this Agreement will be performed. Acceptance by PVCSD of reports, and incidental professional work or materials furnished hereunder, shall not in any way relieve CONTRACTOR of responsibility for the technical adequacy of its work. Neither PVCSD's acceptance of, nor payment for any of the services, shall be construed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement.

Indemnity, Hold Harmless and Defense

5.04 To the maximum extent allowable by law, CONTRACTOR agrees to indemnify, defend, and hold PVCSD and each of their respective officials, officers, directors, employees, agents and volunteers (collectively referred to as the "Indemnified Parties") free and harmless from all claims, demands, losses, costs, expenses, obligations, liabilities, damages, recoveries, and deficiencies, including interest, penalties, attorneys' fees, and costs (collectively referred to as "Liabilities") that such entities or persons may incur that pertain to, arise out of or relate to or are in any manner directly or indirectly connected

with the services to be performed pursuant to this Agreement, however caused, including any errors, acts or omissions of CONTRACTOR, including CONTRACTOR's officers, officials, directors, employees, subcontractors, agents, representatives, volunteers, successors, assigns or anyone for whom CONTRACTOR is legally responsible, or a breach by CONTRACTOR of any representation or agreement contained in this Agreement. CONTRACTOR's indemnification, hold harmless and defense obligation shall apply regardless of any negligence of Indemnified Parties, except to the extent caused by the sole negligence or willful misconduct of the Indemnified Parties.

5.04.1 CONTRACTOR shall cooperate with and do whatever is necessary to protect Indemnified Parties from any such Liabilities.

5.04.2 CONTRACTOR shall defend Indemnified Parties, at CONTRACTOR's own cost, expense and risk, from any and all such aforesaid Liabilities asserted in claims, demands, actions, causes of action, arbitration, mediations or other proceedings of any kind that may be brought or instituted against Indemnified Parties. CONTRACTOR and Indemnified Parties shall be jointly represented by legal counsel, unless there is a conflict of interest, and CONTRACTOR shall pay Indemnified Parties' reasonable attorneys' fees and costs as they are incurred. Indemnified Parties shall be consulted regarding and approve the selection of legal counsel. Should separate legal counsel be necessary for Indemnified Parties, as determined by PVCSD, CONTRACTOR shall pay for the reasonable attorneys' fees and costs including expert witness fees, as such fees and costs are incurred and within thirty (30) days of receipt of an invoice, for Indemnified Parties' legal counsel in addition to CONTRACTOR's own legal fees and costs. In all circumstances, Indemnified Parties reserve the right to retain their own attorneys. CONTRACTOR shall not agree without Indemnified Parties' prior written consent to any settlement on Indemnified Parties' behalf.

5.04.3 If CONTRACTOR is obligated to defend Indemnified Parties pursuant to this Article 5, Section 5.04, and fails to do so after reasonable notice from PVCSD, Indemnified Parties may defend themselves and/or settle such claims, suit or assertion, and CONTRACTOR shall pay to Indemnified Parties any and all Liabilities incurred in relationship with Indemnified Parties' defense and/or settlement of such proceeding.

5.04.4 CONTRACTOR shall pay and satisfy any judgment, award, liability or decree that may be awarded, imposed or rendered against Indemnified Parties as a result of any claims, demands, suits, actions, causes of action, arbitrations, mediations or other proceedings whether legal, administrative or otherwise, including any settlement related thereto.

5.04.5 CONTRACTOR's indemnification, hold harmless and defense obligation shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for CONTRACTOR, subcontractor, supplier or other person under workers' compensation acts, disability acts or other employee acts or the insurance required by this Agreement. CONTRACTOR's indemnification, hold harmless and defense obligation shall not be restricted to insurance proceeds, if any, received by CONTRACTOR or Indemnified Parties. Provision of insurance coverage as required by this Agreement shall not affect CONTRACTOR's indemnity obligations.

5.04.6 CONTRACTOR's indemnification, hold harmless and defense obligation shall survive the termination of expiration of this Agreement.

Insurance

5.05 CONTRACTOR shall procure and maintain in full force and effect for the duration of this

Agreement, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by CONTRACTOR, its agents, representatives, employees or subcontractors. Insurance policies shall be on an occurrence basis, and coverage shall be at least as broad and in the minimum amounts as follows:

5.05.1 California Workers' Compensation Insurance, as required by the State of California, with statutory limits.

5.05.2 General Liability Insurance [occurrence form CG 0001], covering bodily injury, personal injury and property damage with a combined single limit of no less than One Million Dollars (\$1,000,000) per occurrence, and a minimum annual aggregate of Two Million Dollars (\$2,000,000). If Commercial General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be three times the required occurrence limit.

5.05.3 Automobile Liability Insurance [form number CA 0001, covering code 1 (any auto)] covering bodily injury and property damage, with a combined single limit of no less than One Million Dollars (\$1,000,000) per claim for bodily injury and property damage.

5.05.4 Employer's Liability Insurance with a combined single limit of no less than One Million Dollars (\$1,000,000) per claim for bodily injury or disease.

5.05.5 Error and Omissions Insurance appropriate to CONTRACTOR's services, with a combined single limit of no less than One Million Dollars (\$1,000,000) per claim, and Two Million Dollars (\$2,000,000) policy aggregate.

5.06 The following are required provisions:

5.06.1 CONTRACTOR will provide additional insured insurance coverage and policy endorsements for PVCSD and each of their respective officers, officials, directors, employees, volunteers or agents (collectively referred to as the "Insured Parties") under the general liability and automobile liability policies. The coverage shall contain no special limitations on the scope of protection afforded to the Insured Parties. General liability coverage can be provided in the form of an endorsement to CONTRACTOR's insurance (at least as broad as ISO Form CG 20 10, 11 85, or both CG 20 10 and CG 20 37 forms if later revisions to CG 20 10 are used).

5.06.2 CONTRACTOR's insurance shall be primary insurance as respects Insured Parties, and each of them. Any insurance, self-insurance or other coverage maintained by Insured Parties shall be excess of CONTRACTOR's insurance and shall not contribute to it.

5.06.3 Any failure to comply with reporting or other provisions of the policies including breaches of warranties shall not affect coverage provided to Insured Parties.

5.06.4 CONTRACTOR'S insurance shall apply separately to each insured against whom a claim is made or suit is brought, except with respect to the limits of insurer's liability.

5.06.5 Liability insurance shall include indemnification against loss from liability imposed by law upon, or assumed under contract by, CONTRACTOR or its subcontractors for damages on account of bodily injury, including death resulting therefrom, suffered or alleged to have been suffered by any person or persons, other than employees, resulting from the performance or execution of this Agreement by

CONTRACTOR or its subcontractors.

5.06.6 Liability insurance shall cover accidents arising out of the use and operation of owned, non-owned and hired automobiles, trucks and/or other mobile equipment.

5.06.7 Each insurance policy required by this Agreement shall be endorsed to state that coverage shall not be cancelled or materially modified by the insured or insurer without thirty (30) days prior written notice by certified mail to PVCSD.

5.06.8 All policies shall specifically cover any contractual liability incurred hereunder.

5.07 CONTRACTOR hereby agrees to waive rights of subrogation which any insurer of CONTRACTOR may acquire from CONTRACTOR by virtue of the payment of any loss. CONTRACTOR agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of Insured Parties for all work performed by CONTRACTOR, its employees, agents and subcontractors.

5.08 Insurance will be purchased from insurance companies with a current A.M. Best's rating of no less than A:VII, unless otherwise agreed to in writing by PVCSD.

5.09 Any deductibles or self-insured retention limits must be disclosed to and approved by PVCSD prior to the execution of this Agreement. At the option of PVCSD, either: the insurer shall reduce or eliminate such deductibles as respects the Insured Parties; or CONTRACTOR shall provide a financial guarantee satisfactory to PVCSD guaranteeing payment of losses and related investigations, claim administration, and defense expenses.

5.10 CONTRACTOR will furnish PVCSD with certificates of insurance prior to the commencement of work under this Agreement, and as may be periodically requested by PVCSD. CONTRACTOR shall include all endorsements necessary to comply with this Agreement, including additional insured endorsements, signed by the insurer's representative. Such evidence shall include confirmation that coverage includes or has been modified to include all provisions required by this Agreement. CONTRACTOR shall, upon request of PVCSD at any time, deliver to PVCSD complete, certified copies of the policies of insurance, including endorsements, and receipts for payment or premiums thereon, required by this Agreement. Failure to obtain the required documents prior to the work beginning shall not waive CONTRACTOR's obligation to provide them.

5.11 If any of the required coverages expire during the term of this Agreement, CONTRACTOR shall deliver the renewed certificate(s) including the general liability and auto liability additional insured endorsements to PVCSD at least ten (10) days prior to the expiration date.

5.12 In the event that CONTRACTOR employs subcontractors to perform any portion of the services to be performed pursuant to this Agreement, it shall be CONTRACTOR's responsibility to require and confirm that each subcontractor meets the minimum insurance requirements specified in this Agreement.

Conflict of Interest

5.13 Upon the award of this Agreement and periodically thereafter, CONTRACTOR may be required

to complete and file with PVCSD a Conflict of Interest form, to be provided to CONTRACTOR by PVCSD.

Assignment

5.14 Neither this Agreement nor any duties or obligations under this Agreement may be assigned or subcontracted by CONTRACTOR without the prior written consent of PVCSD. PVCSD has entered into this Agreement in order to receive the professional services of CONTRACTOR. The provisions of this Agreement shall apply to any subcontractor to CONTRACTOR. PVCSD shall have the right to approve any subcontractor agreements, in addition to the written consent required by this Section 5.14.

Safety

5.15 CONTRACTOR shall be solely and completely responsible for the safety of all CONTRACTOR personnel, including personnel of any subcontractors, during performance of the services. CONTRACTOR shall fully comply with all laws, rules, regulations and ordinances relating to safety of the public and workers, whether federal, state or local. CONTRACTOR shall also comply with all contract provisions and PVCSD's policies, procedures, departmental rules and other directives, as provided by PVCSD's Project Manager to CONTRACTOR, relating to the safety of the public and workers,

including, but not limited to, PVCSD's Contractor Safety Policies and Procedures and any project specific requirements.

ARTICLE 6 OBLIGATIONS OF PVCSD

6.01 PVCSD agrees to comply with all reasonable requests of CONTRACTOR and provide access to all documents reasonably necessary to the performance of CONTRACTOR's duties under this Agreement.

Indemnity

6.02 PVCSD agrees to indemnify, defend, and hold CONTRACTOR free and harmless from all claims, demand, losses, costs, expenses, obligations, liabilities, damages, recoveries, and deficiencies, including interest, penalties, attorneys' fees, and costs, that CONTRACTOR may incur as a result of a breach by PVCSD of any representation or agreement contained in this Agreement.

ARTICLE 7 TERMINATION OF AGREEMENT

Termination for Default

7.01 If either party defaults in the performance of this Agreement or materially breaches any of its provisions, the non-breaching party may immediately terminate this Agreement by giving written notification to the breaching party. Termination will take effect immediately on receipt of notice by the breaching party or five (5) days after mailing of notice, whichever occurs first. For the purposes of this paragraph, material breach of this Agreement includes, but is not limited to, the following:

7.01.1 CONTRACTOR's failure to complete the services specified in Article 2 of this Agreement.

7.01.2 CONTRACTOR's material breach of any representation or term contained in this Agreement.

7.01.3 PVCSD's material breach of any representation or agreement contained in this Agreement.

Termination Without Cause

7.02 Either party may terminate this Agreement without cause upon thirty (30) days written notice.

Compensation Upon Termination

7.03 Upon termination by either party under Sections 7.01 or 7.02 above, PVCSD will pay to CONTRACTOR any outstanding service fees minus any costs reasonably incurred by PVCSD related to CONTRACTOR's services under this Agreement prior to the notice of termination.

ARTICLE 8 PROPRIETARY RIGHTS

Confidential Information

8.01 Any written, printed, graphic, or electronically or magnetically recorded information furnished by PVCSD for CONTRACTOR's use are the sole property of PVCSD. This proprietary information includes, but is not limited to, customer requirements, customer lists, marketing information, and information concerning PVCSD employees, products, services, prices, operations, and subsidiaries.

8.02 CONTRACTOR and its employee(s) will keep this confidential information in the strictest confidence, and will not disclose it by any means to any person except with PVCSD approval, and only to the extent necessary to perform the services under this Agreement. This prohibition also applies to CONTRACTOR's employees, agents, and subcontractors. On termination of this Agreement, CONTRACTOR will promptly return any confidential information in its possession to PVCSD.

ARTICLE 9 GENERAL PROVISIONS

Notices

9.01 Any notices required to be given under this Agreement by either party to the other may be effected by personal delivery in writing or by mail, first class, registered or certified, postage prepaid with return receipt requested. Mailed notices must be addressed to the parties at the addresses below, but each party may change the address by giving written notice in accordance with this paragraph. Notices delivered personally will be deemed communicated as of actual receipt; mailed notices will be deemed communicated as of the day of receipt or the fifth (5th) day after mailing, whichever occurs first.

Mr. Michael Rentner, President 32605 Temecula Parkway, Suite 100 Temecula, California 92592

Entire Agreement of the Parties

9.02 This Agreement contains the entire understanding between the parties hereto with respect to the subject matter hereof, and supersedes all prior and contemporaneous agreements and understandings, inducements, or conditions, express or implied, oral or written, except as herein contained. The express terms hereof control and supersede any course of performance and/or usage of the trade inconsistent with any of the terms hereof. This Agreement may not be modified or amended other than by an agreement in writing signed by the parties.

Partial Invalidity

9.03 If any non-material provision of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will continue in full force and effect without being impaired or invalidated in any way.

Attorneys' Fees

9.04 If any legal action, including an action for declaratory relief, is brought to enforce or interpret the provisions of this Agreement, the prevailing party will be entitled to reasonable attorneys' fees, which may be set by the court in the same action or in a separate action brought for that purpose, in addition to any other relief to which that party may be entitled.

Document and Materials Ownership

9.05 All original drawings, diskettes, and other copies of documents and materials developed for the project, including detailed calculations, shall be furnished to and become the property of PVCSD. PVCSD agrees to indemnify CONTRACTOR for claims, damages, or liabilities caused by any use by PVCSD of the plans, drawings, specifications, and all information gathered by CONTRACTOR on any project other than the one for which such plans, drawings, and specifications were prepared and information gathered by CONTRACTOR.

Patent and Copyright Indemnity

9.06 CONTRACTOR represents that it knows of no allegations, claims, or threatened claims that the materials, services, hardware or software ("Contractor Products") provided to PVCSD under this Agreement infringe any patent, copyright or other proprietary right. CONTRACTOR shall defend, indemnify and hold harmless PVCSD from and against all losses, claims, damages, liabilities, costs expenses and amounts (collectively, "Losses") arising out of or in connection with an assertion that any Contractor Products or the use thereof, infringe any patent, copyright or other proprietary right of any third party. PVCSD will: (1) notify CONTRACTOR promptly of such claim, suit or assertion; (2) permit CONTRACTOR to defend, compromise, or settle the claim; and, (3) provide, on a reasonable basis, information to enable CONTRACTOR to do so. CONTRACTOR shall not agree without PVCSD's prior written consent to any settlement which would require PVCSD to pay money or perform some affirmative act in order to continue using Contractor Products.

9.06.1 If CONTRACTOR is obligated to defend PVCSD pursuant to this section 9.06 and fails to do so after reasonable notice from PVCSD, PVCSD may defend itself and/or settle such proceeding, and CONTRACTOR shall pay to PVCSD any and all losses, damages and expenses (including attorney's fees and costs) incurred in relationship with PVCSD's defense and/or settlement of such proceeding.

9.06.2 In the case of any such claim of infringement, CONTRACTOR shall either, at its option, (1) procure for PVCSD the right to continue using Contractor Products; or (2) replace or modify Contractor Products so that that they become non-infringing, but equivalent in functionality and performance.

9.06.3 Notwithstanding this section 9.06, PVCSD retains the right and ability to defend itself, at its own expense, against any claims that Contractor Products infringe any patent, copyright, or other intellectual property right.

9.06.4 All provisions of Section 5.04, including the subsections thereunder, shall apply to CONTRACTOR's obligation pursuant to this Section 9.06.

Audits

9.07 If this Agreement involves an expenditure of public funds in excess of Ten Thousand Dollars (\$10,000), the Agreement is subject to examination and audit of the State Auditor, at the request of PVCSD or as part of any audit of PVCSD, for a period of three (3) years after final payment under the Agreement. CONTRACTOR shall cooperate with PVCSD, including any authorized representative of PVCSD, regarding such audit at no charge to PVCSD.

Counterparts

9.08 This Agreement may be executed in counterparts, each of which shall constitute an original, but all of which together shall constitute one and the same agreement, and the signature of any party to any counterpart shall be deemed a signature to, and may be appended to, any other counterpart.

Provisions Required By Law

9.09 Each and every provision of law and clause required by law to be inserted in this Agreement shall be deemed to be inserted herein, and the Agreement shall be read and enforced as though they were included herein. If through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the request of either party, the Agreement shall forthwith be physically amended to make such insertion.

Governing Law

9.10 This Agreement and all questions relating to its validity, interpretation, performance, and enforcement (including, without limitation, provisions concerning limitations of actions), shall be governed by and construed in accordance with the laws of the State of California, notwithstanding any conflict-of-laws doctrines of such state or other jurisdiction to the contrary and without the aid of any canon, custom, or rule of law requiring construction against the draftsman.

Jurisdiction, Forum and Venue

9.11 The proper jurisdiction, forum and venue for any claims, causes of action or other proceedings concerning this Agreement shall be in the state and federal courts located in the State of California,

County of San Diego. PVCSD and CONTRACTOR agree not to bring any action or proceeding arising out of or relating to this Agreement in any other jurisdiction, forum or venue. PVCSD and CONTRACTOR hereby submit to personal jurisdiction in the State of California for the enforcement of this Agreement and hereby waive any and all personal rights under the law of any state to object to jurisdiction within the State of California for the purposes of any legal action or proceeding to enforce this Agreement, whether on grounds of inconvenient forum or otherwise.

Signature Authority

9.12 PVCSD and CONTRACTOR do covenant that the individual executing this Agreement on their behalf is a person duly authorized and empowered to execute this Agreement for such party.

Executed in San Diego County, California, on April 15th, 2024.

PAUMA VALLEY COMMUNITY SERVICES DISTRICT

CONTRACTOR

By:___

Eric Steinlicht, General Manager

Michael Rentner, Contractor

Attachment A – Scope of Work

Wastewater, Security, and Gate Fees Tax Roll Billing and Calculation

KICK-OFF MEETING: MEET WITH CSD STAFF TO DISCUSS:

- Review the tax roll billing process and appropriate annual timeline.
- Method of application of the charge and the data required.
- Review the process for any appeals or disputes.
- For initial year tax roll billings, NBS will develop format, print, and send a mailing of notice regarding change in billing method to tax roll billing to all property owners (CSD staff to review this change with internal legal counsel).

DATA COLLECTION AND MAINTENANCE

Gather and review data pertinent to the calculation and billing of the Fees. Data will be obtained from various sources such as the CSD's database, Assessor's parcel maps and County Assessor information as determined to be necessary based on the requirements of the formula. Maintain and periodically update a database for all parcels and relevant parcel information within the service area.

QUALITY CONTROL

Perform cross-reference tests looking at the various data sources, land use codes, and other pertinent information to improve accuracy of application of the charges. NBS has a multi-step approach to our quality control. We have built custom analysis tools within our software that assists in this process. Every database is reviewed by a top-level staff member before finalizing..

LEVY CALCULATION AND SUBMITTAL

Calculate the annual levy for each parcel within the District following the guidelines established in the formula. Submit the levy to the County Auditor Controller in the required electronic format. Levies rejected by the County Auditor Controller will be researched and resubmitted for collection on the County Tax Roll. Any parcels that are not accepted by the County for collection will be invoiced with payment to be directed to the CSD.

REPORTING

Provide an Annual Levy Report. The report will include a parcel listing with levy amounts. Parcel and levy data can be provided electronically if desired.

CONSULTING SUPPORT

NBS will provide a toll-free phone number for use by the CSD, other interested parties and all property owners. Our staff will be available to answer questions regarding the Fees. Bilingual staff is available for Spanish-speaking property owners.

ATTACHMENT B: PROFESSIONAL FEES

The appropriate fees are listed below for Tax Roll Billing Administration services.

| ONE-TIME SETUP FEE One-Time Setup and Implementation/Prop 218 Notice | \$9,500 |
|---|---------|
| ANNUAL ADMINISTRATION FEES Annual Fees | \$7,500 |
| D-FAST [®] ONLINE ANNUAL FEE Annual Fees | \$1,500 |

ESTIMATED ANNUAL ADMINISTRATION EXPENSES

Expenses

Customary out-of-pocket expenses will be billed to the CSD at actual cost to NBS. These expenses may include, but not be limited to, mailing fulfillment, postage, reproduction, telephone, travel, meals and various third-party charges for data, maps, and recording fees. For the One-time set up/Implementation, there could be one-time printing and mailing costs that exceed the typical annual cap above.

Annual Fee Increases

Cost of living increases may be applied to the services listed above on October 1 each year, beginning with the invoices issued on October 1, 2025. The Cost of Living Adjustment (COLA) would be the actual cost of living increase based on the 12-month change from April/May to April/May in the U.S. Department of Labor, Bureau of Labor Statistics, Consumer Price Index for all urban consumers for the applicable region.

Additional Optional Services – Hourly Rates

The following table shows our current hourly rates. Any optional services authorized by the Pauma Valley CSD but not included in the scope of services will be billed at this rate or the then applicable hourly rate. This may include attendance at additional meetings, notice and ballots, etc.

| Title | Hourly Rate | | |
|-------------------------------|-------------|--|--|
| Director | \$250 | | |
| Associate Director / Engineer | \$225 | | |
| Senior Consultant / Manager | \$200 | | |
| Consultant | \$175 | | |
| Financial Analyst | \$150 | | |
| Clerical / Support | \$110 | | |

Terms

Administration services fees are for the first year, with possible COLA in subsequent years, as referenced above. Such fees will be invoiced at the beginning of each quarter. Expenses will be itemized and included in the next regular invoice. Fees for all other services will be invoiced upon completion of the task. If the project is prematurely terminated by either party, NBS shall receive payment for work completed. Payment shall be made within 30 days of submittal of an invoice. If payment is not received within 90 days, simple interest will begin to accrue at the rate of 1.5% per month. Either party can cancel administration contracts with 30 days' written notice.

STORMWATER A Ten-Step Funding Plan

By Kim Boehler and Tim Seufert

NBS

A Ten-Step Funding Plan to Address the Spectrum of Needs in California

Published by NBS

All Rights Reserved | Copyright © 2018 by NBS

No part of this book may be reproduced or transmitted in any form without the permission of the publisher. Kim Boehler and Tim Seufert are both Directors with NBS, a firm providing innovative and practical financial, consulting, and administrative advice and support to local governmental agencies. They are experienced consultants in this arena and have worked with hundreds of such agencies across California.

VIRTUALLY EVERY COMMUNITY IN CALIFORNIA IS FACING SIGNIFICANT AND UNFUNDED NEEDS WITHIN THE SPECTRUM OF STORMWATER.

The problem is no longer maintaining a permit and providing basic services to comply with the National Pollutant Discharge Elimination System (NPDES). Clouds are on the horizon, and a veritable financial storm is brewing, a storm which might engulf the general fund.

The following is a list of many stormwater challenges which may be brewing within your community, and it's possible that all of them apply:

- Inadequate or failing infrastructure, as your baseline
- Additional infrastructure needs, in existing and newly developing communities
- Groundwater management and recharge

- Degraded local environment, including creeks, bays, marshes, etc.
- NPDES requirements, including trash capture in storm drains
- Sanitary sewer implications (inflow and infiltration)
- Recurring flooding

Responding to any or all of the above is a challenge, but it is doubly so considering the competing financial needs for public safety, streets and transportation improvements, community services and so on. It is an imperative to review your needs, and consider the tools in your financial toolbox. This effort must be broad-based, across virtually all departments, and include a healthy dialogue within your community.

SOME BACKGROUND

The state and federal requirements that will be effective in the next few years for eliminating trash and pollutants from the storm drain systems, creating green infrastructure, and water quality monitoring will be arduous, and very expensive. Along with these water quality requirements, California's storm drain systems are aging, the population is increasing, the climate is changing, and the demands on our systems are higher than ever. Developing or updating a well-vetted and technically appropriate storm drain master plan is needed, as a first step. *(See Overview of Stormwater Master Planning on page 13.)*

Storm drain management requires proactive planning and the right infrastructure, along with regular operations and maintenance. A storm drain master plan contemplates the needs, design requirements, and unique attributes of your community. For many years in many communities, storm drain management has been low on the priority list, until recently. With more population and increased impervious surface area due to development, storm drain management, with significantly increasing water quality standards, must be a priority.

THE FUNDING OPTIONS

After the technical issues are addressed, it is necessary to formulate strategies to finance both capital improvements as well as fund ongoing maintenance and operations. The history of funding storm drain projects in the Western United States is technically complex, and politically charged. California has many unique facets curbing the creation of storm drain utilities, a funding approach in other states such as Washington and Oregon. The passage of Proposition 218, and later Proposition 26, created challenging hurdles in establishing new funding sources, including for stormwater management.

Any community facing these challenges must first ask if all has been done in terms of enhancing current revenue streams. Then, one must investigate additional options: Storm drain financing and funding can be accomplished via a number of elements, as listed to the right. Items 1 to 3 should be most any community's first steps, while the next may or may not apply:

I STEP FUNDING PLAN

WATER/SEWER/TRASH UTILITIES

U In some cases, there are justifiable methods to allocate some revenues from these funded utilities. This should be a primary consideration for many communities. A proper analysis is necessary to justify such funds.

DEVELOPMENT IMPACT FEES (DIF) These are one-time fees to fund capital only for newly-developing areas (can also be part of a development agreement). There is no ongoing maintenance component.

REGULATORY FEES Plan review and inspection fees can fund specific functions. A fee study is required to implement such fees.

PROPERTY-RELATED FEES

A property-owner ballot process, with a 50% + hurdle or a voter-approved measure with a 2/3 requirement of registered voters are options to fund capital or maintenance or both. A detailed study is required for such an effort. See the City of Palo Alto case study on page 11. Note that with the recent passage of SB 231, it is now also feasible to propose such a fee and pass it on to the users without an affirmative ballot or vote (a public hearing is required by Proposition 218) if the fee would provide for new or enhanced "water supplies." Refer to the callout box on SB 231 and Author's note, both on page 8.

GENERAL OBLIGATION BONDS Voter-approved bonds to fund capital is an option. This requires an affirmative vote in an election.

06 COMMUNITY FACILITIES DISTRICTS (CFD)

A voter-approved (or landowner-approved in the case of undeveloped land) CFD can fund capital or maintenance or both. A 2/3 positive vote is required.

O7 SPECIAL PARCEL TAXES A voter-approved parcel tax mechanism can fund capital or maintenance or both. A 2/3 positive vote is required. Refer to the Culver City case study on page 10.

ASSESSMENT DISTRICTS A property-owner approved Assessment District can possibly fund a portion of capital or maintenance or both, typically for a well-defined area within the larger community. For example, the 1982 Act Benefit Assessment District law provides for maintenance and operation of flood control and drainage services.

GRANTS AND OTHER SOURCES Federal (FEMA and others), State and local grant sources are sometimes available, particularly as a match to the other funds mentioned herein. State Revolving Funds (SRF) loans are also a possibility.

THE GENERAL FUND This is your last resort. It has been the source of most stormwater funds to date, and is the last recourse when all of the above sources don't meet the need (though it's a challenged fund for most).

These ten items are the funding alternatives that can be implemented to generate funds for storm system improvements, operation and maintenance in your community. While a stormwater utility can be created in California and there may be a good reason to do so in your community, there are no inherent funding options available beyond those discussed above.

California Senate Bill 231 was signed by SB 231 the Governor in October 2017. This bill essentially amended the Proposition 218 Omnibus Act to redefine "sewer" to include storm sewers. This effectively allows public utilities to include some stormwater program costs in their current water, sewer or trash fees (rates approved via the regular Proposition 218 process) if the stormwater program benefits these other utilities. For example, keeping stormwater out of the sewer system reduces the amount of effluent that needs to be stored and/ or treated at the wastewater treatment plant. This bill also allows for "certain" new stormwater property-related fees to be "noticed but not balloted" fees (a notice is sent, but ballots are not sent for a protest-ballot tabulation), as with regular water, sewer, and trash fees. (Note that recent court cases call this bill into question.)

The bill was supported by some municipal and environmental groups, and opposed by some taxpayer groups. Legal challenges are surely on the horizon as this is implemented in communities across the state. A test case (or cases) is on its way in the near future. Funding stormwater requires a broad and multidisciplined effort. Establishing a multi-disciplined team, including staff, community leaders and specialists in engineering, public finance and public outreach is the key to success. Reaching out to the public early and often in the process and maintaining a focused approach can improve the chances of successfully creating a suite of funding tools that will allow your agency to endure the storm.

Author's note on property-related fees: As of this writing, the current environment for propertyrelated fees is in flux. Recent court cases, such as in Salinas and elsewhere, are challenging. A constitutional amendment to add stormwater categorically to the list of "water, sewer, trash" has been proposed, but not approved by either the legislature or the California electorate. SB 231 and AB 2403 must be taken in context with Proposition 218 and court cases to date. New court cases are on the horizon.

Date: January, 2018

CASE STUDY CULVER CITY PARCEL TAX: THE "CLEAN WATER, CLEAN BEACH PARCEL TAX"

The voters of Culver City recently approved a new parcel tax aimed at stormwater, presumed to be the first in California. Measure CW was approved by 74% of the voters, over the 2/3 requirement needed.

Culver City was struggling with how to finance infrastructure needed to manage stormwater runoff, and provide funding to reduce/prevent water pollution in the local watersheds and comply with state and local regulations. After careful evaluation, the City decided to pursue a tax measure that generates \$2 million in new revenue annually. This new funding source won't fund 100% of the needs, but it is an initial first step in a long-term plan.

The main reasons Culver City pursued a parcel tax are due to the level of flexibility in the formula used to levy the parcel tax, and the fewer administrative and legal procedures required when compared to other funding mechanisms.

The critical efforts taken throughout the process ensured its success: This included careful evaluation of tax levels the public would support through the use of public opinion polling, and a public information campaign and timing of placement on the ballot.

CASE STUDY PALO ALTO PROPERTY-RELATED FEE

Like many cities, the City of Palo Alto has significant stormwater funding needs. In 2000, property owners rejected a property-related fee to help fund stormwater management. A new broad-based effort was mounted in 2005 which resulted in a 58% "yes" ballot to such a fee.

In 2017, an increased fee was posed to the community, and approved again, this time at a 64% affirmative ballot. Interestingly, the new fee is permanent (i.e., no sunset) for operations, and there is also a fee for capital needs only with a 15 year duration. The fee is billed via the city's robust utility billing system, though it could alternatively be billed via the county property tax collection system. The 2017 effort was thoughtfully led by a Blue Ribbon Committee, with broad participation by business, neighbors, environmental interests, and others.

OVERVIEW OF STORMWATER MASTER PLANNING

By Dan Schaaf, PE, Schaaf & Wheeler

Master planning for municipal drainage and stormwater systems typically involves analyzing the capacity, condition and ability to treat runoff. These documents are intended to be a "onestop-shop" for engineers, planners, finance directors, elected officials and the general public to understand the community's stormwater infrastructure. The two major functions of stormwater systems are to convey storm runoff in a manner that limits flooding and to treat the runoff to reduce negative municipal impacts on the environment.

The primary purpose of municipal drainage networks is to convey storm runoff from developed areas to larger systems such as channels, lakes, bays and oceans. A master plan should analyze how the existing infrastructure performs during a large storm, typically a 10-year event, to identify capacity deficiencies. The condition of the existing drainage network should also be assessed to assure the systems are functioning as designed. Capital projects to correct deficiencies in capacity and condition are sized, costed and prioritized. Under the United States EPA's NPDES (National Pollution Discharge & Elimination System) program, all California municipalities are required to address stormwater quality. Each region of the state has varying stormwater constituents that need to be reduced to protect waterbodies and natural resources. These constituents can include: trash, PCB's (polychlorinated biphenyl), metals and bacteria. The master plan should address how the municipality is currently addressing the NPDES requirement and identify future needs to comply with the permit.

AB 2403 In 2014, AB 2403 (Rendon) was signed. The bill modified the definition of "water," as known in Articles XIII C and XIII D of the California Constitution, to mean water from any source. This relates to situations whereby stormwater can be used as a source of usable water.

In some cases, the capacity and water quality projects can be combined to reduce costs. However, these two goals can often be at odds with each other. Water quality strategies typically rely on slowing flows, maximizing infiltration, and reducing runoff, whereas drainage improvements have typically relied on enlarging pipes and building pump stations to quickly move water to a larger waterbody (creek, river, lake, bay or ocean). New approaches are starting to bridge this gap by incorporating green infrastructure concepts into drainage system projects.

A stormwater master plan should clearly address how a community should approach drainage and stormwater issues. The documents should contain enough basic information that the layperson (council member or member of the community) can understand the problems and solutions, yet it should contain enough technical information that an engineer can take the projects into design and construction. The plan should prioritize the necessary capital projects, estimate costs to meet the requirements, and provide an outline of funding options. Done correctly, a stormwater master plan will be utilized on a regular basis and not become another document on a bookshelf or file buried on a server.

RUN POWERED BY ADP® Proposal

For Pauma Valley Community Services District

04-08-2024

Pauma Valley Community Services District 33129 Cole Grade Rd Pauma Valley, CA 92061-9518

Enclosed is the proposal outlining the ADP[®] services we discussed and other information you may find helpful. Your interest in ADP is greatly appreciated!

If you have any questions concerning this proposal or our solutions, please don't hesitate to contact me.

Best Regards,

Christian Wilson Associate District Manager <u>christian.wilson@adp.com</u>

Solution Detail for Pauma Valley Community Services District*:

ADP[®] HR Pro

Enhanced HR help and big business perks for you and your employees, plus tools to help manage compliance and your cashflow.

You're a small business owner. But that doesn't mean you don't want big business support and perks.

ADP HR Pro has powerful tools and enhanced services that can help you focus on growing your business, rather than worrying about running your business.

People management features designed for your business

Elevated HR support, administration and compliance

- Enhanced HR HelpDesk support Access to a designated team of HR Business Advisors, available for both one-off questions and scheduled, proactive check-ins.
- Enhanced Employee Handbook support We'll help you create a comprehensive, quality employee handbook based on state and federal employment law in just a few simple steps.

HR technology

- New Hire Onboarding Add new employees with just a few basic pieces of information and employees can enter their personal info, direct deposit, emergency contacts and federal tax withholding.
- Document Vault Eliminate paper and get centralized, searchable access to stored employee and company documents, as well as a library of HR best practice templates.
- ZipRecruiter[®] Post jobs to 100+ job boards and social media sites in one click. Reach millions of job seekers with one post. Easily manage, screen and quickly identify top candidates – all in one place.
- Alerts and Notifications Track important dates like employee anniversary, performance reviews, and license and certification expiration dates.
- HR Tracking Get 24/7 access to HR pages that help you track employee information, such as assigned property and performance, and advanced reporting.

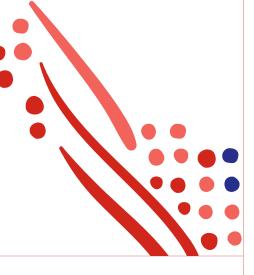

Tools for you and your employees

- Work-Life EAP Program Your employees can get the support they need, with access to counseling sessions, legal and financial referrals and consultations and more.
- Trainings Participate in courses on Sexual and Workplace Harassment, HR Recordkeeping, Sales and more.

- Business/Marketing Tools and Live Advice Take the guesswork out of growing your business with customized advice from Upnetic's business advisors plus web optimization services and marketing tools.
- Discount Programs You and your employees get discounts on brand-name products and daily essentials.

HR support, administration and compliance

- Background Checks Includes SSN Validation**, 1 Criminal History Search*** for the current county of residence, and ADP's CrimRadar^{TM**} only. 25 free background check bundles included annually.
- Job Description Wizard Create customized job descriptions based on an extensive database.
- HR Toolkits Navigate everyday HR and compliance responsibilities with step-by-step best practice guidelines, essential forms and documents, and related policies.
- HR Forms & Documents Save time by obtaining key HR forms from our central library of thousands of best-practice documents, checklists, forms and policies.
- State and Federal Compliance Database and Compliance Updates – Get information about ever-changing state and federal employment laws with easy-to-read summaries of major regulations. Also get proactive alerts to help you stay on top of HR best practices and compliance requirements.
- ADP® Employment Verification Helps you respond to employment and income verification requests when your employees apply for loans, lines of credit, or government benefits, freeing up time for you.

HR information and education

- State and Federal Resources Help meet your core state and federal documentation requirements with convenient access to key government forms and documents.
- Tip of the Week Receive practical how-to articles that provide best-practice information to help you complete your everyday employee management tasks.

Cash and compliance management solutions

- Flexible Payroll Input Options Enter your data online, by phone, or even on-the-go with our mobile payroll app. Your data is always safe and secure.
 - RUN & Done® Automate your payroll, for salaried staff and hourly employees with standard hours, using RUN & Done. Set it up once and we'll run your payroll until you tell us to make a change.
- Employee Access® Employees can manage their personal information and federal tax withholding, access payroll and tax history, as well as view available integrated products like time tracking, health benefits, retirement plans or company policies.
- General Ledger Interface Export journal entries from ADP into QuickBooks®, Xero, Creative Solutions or a generic output file — without re-keying data.
- Payroll Preview Preview payroll results before processing to help reduce errors.
- Flexible Employee Pay Options Choose from three ways to pay your employees:
 - ADPCheck[™] The most secure paycheck in the industry, signed and sealed with 10 advanced fraud protection features.
 - Direct Deposit On payday, pay is automatically deposited in each employee's account. (Employees can also choose to have funds directly deposited to a Wisely® Direct debit card⁺.)

- Electronic Reports View, access, export and print different reports online, from payroll to tax to people.
 - Global Health Event Access a series of reports to help you navigate the PPP loan forgiveness process. Also use dedicated payroll earnings and memo codes to streamline FFCRA and CARES Act compliance.
 - Custom Reporting Choose the fields to include and their order, sort the data within columns, set filters and selection criteria, preview, print, export to multiple file formats and save custom reports for future use.
- Tax Filing We'll calculate, deposit, file and reconcile your payroll taxes — and respond to inquiries from taxing agencies regarding the returns we file for you.
- New Hire Reporting Helps protect your company from penalties due to mistakes or late filings.
- New Hire Paperwork Quickly download state and federal new hire forms all in one convenient place.
- Labor Law Poster Compliance Update Service - We'll also enroll you in our Labor Law Poster Compliance Update Service to help you comply with these regulations.
- Garnishment Payment Service A cost-effective, comprehensive solution that helps you manage your wage garnishment processing.
- State Unemployment Insurance (SUI) Management - ADP offers management of your state unemployment insurance claims, including providing claim responses to state agencies, reviewing benefit payments charged to your SUI account, protesting erroneous charges, and consulting on HR best practices.

Legal Services

• Upnetic Legal Services* - Access free and discounted legal services, including contract and document review, letters and phone calls, registered agents, and consultations on topics like workers' compensation, employment matters, tax. laws and more.

For more information contact:

A la carte charges will apply to products ordered outside the background check bundle (example: verifications, driving records, registry searches, credit, other court records. etc..).

*Upnetic Legal Services powered by Legal Club® (of America) is a third-party provider. **Only confirms social security number was issued and number is not on the death master database.

***A \$65 state surcharge applies when ordering criminal searches from New York.

* Wisely Direct is a prepaid account offered directly to consumers by ADP. It can be used to receive direct deposits and income from other sources. Wisely Direct is not a pay card program or an employer-offered pay option

ADP[®] HR Pro, and a whole lot more, for your small business needs!

out of

customers worried less about HR issues once they started using ADP¹

You may have known about ADP for our payroll services, but did you know about our integrated HR and benefit offerings that were designed to help you manage and grow your business and workforce? Check out some of the offerings below and talk to an ADP Representative to find out how you can implement these solutions with your business.

HR tools to help you manage and attract top talent

- **HR HelpDesk** Have an HR question about an employee or a situation in your business? Give ADP's HR professionals a call-the HR HelpDesk is a one-stop-shop to receive HR best practice information.
- Employee Handbook Wizard With RUN's Employee Handbook Wizard, you can create a customized, comprehensive and professional quality employee handbook based on federal and state employment law in just a few simple steps.
- State and Federal Compliance Get easy-to-read summaries of new and changing regulations. Also receive proactive alerts to help you stay on top of HR best practices and compliance requirements.
- Learning Management System Assign (and track completion of) online courses on sexual harassment and abusive conduct, HR compliance, skills development, and much more.
- Applicant Tracking System Manage end-to-end recruitment — from instantly posting roles on top job boards, to screening candidates and onboarding them.

- Discount Programs Get discounts on nationally recognized, brand-name products and local retailers.
- Work-Life EAP Program Your employees can get the support they need, with access to counseling sessions, legal and financial referrals and consultations and more.
- State Unemployment Insurance (SUI) Management — Management of your state unemployment insurance claims, including providing claim responses to state agencies and reviewing benefit payments charged to your SUI account.
- Business/Marketing Tools and Live Advice

 Take the guesswork out of growing your business with customized advice from Upnetic's business advisors plus web optimization services and marketing tools.
- Upnetic Legal Services* Access free and discounted legal services, including contract and document review, letters and phone calls, registered agents, and consultations on topics like workers' compensation, employment matters, tax laws and more.

P P Benefits and retirement options to help you retain top talent

Keep top performers in your workforce happy, engaged and productive with:

• **Retirement Services^** — Help employees on the road to retirement readiness with retirement programs. A valuable retirement plan also helps you recruit and keep your top talent.

3 in 4 employers say having a company-sponsored

say having a company-sponsored retirement plan increases employee loyalty²

ADP's Pay-by-Pay[®] Premium Payment solutions can help you manage your premium payments

Improve your cash flow and minimize financial impact at your year-end policy audit:

- Workers' Compensation Pay-by Pay Premium Payment Program for Workers' Compensation** allows you to eliminate up-front premium deposits and establish a premium payment schedule based on your carrier rates payroll cycle and actual (not estimated) payroll data.
- Through Automatic Data Processing Insurance Agency, Inc. (ADPIA[®])³, a licensed associate can obtain a no-obligation quote for a workers' compensation policy that can help protect your workforce and/or a Business Insurance Plan that can protect your business by combining property and liability insurance into a single policy.**

ADP Time and Attendance to help you control your labor costs

- Are you manually entering hours worked into RUN each pay period? ADP offers a range of integrated time and attendance options that enable employees to clock in remotely on their mobile device or at your location.
- We also offer several third-party timekeeping and scheduling apps that integrate directly with RUN that can be found at our ADP Marketplace, including Homebase, TSheets and Deputy.

If you need a more comprehensive payroll and HR solution, **ADP's HR Outsourcing** solutions provide dedicated guidance, compliance support, risk mitigation and tools and solutions to help every company manage its most valuable asset — its people. From HR software to a fully-outsourced Professional Employer Organization (PEO) solution that helps you manage it all, ADP can help position your business for success.

1. Internal survey of 378 RUN Powered by ADP® HR packages customers in 2020.

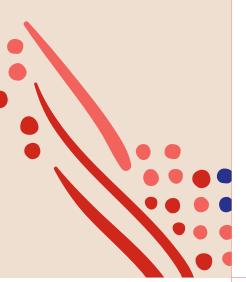

2. MetLife's 17th Annual U.S. Employee Benefit Trends Study 2019.

3. Automatic Data Processing Insurance Agency, Inc. (ADPIA) is an affiliate of ADP, LLC. All insurance products will be offered and sold only through Automatic Data Processing Insurance Agency, Inc., its licensed agents or its licensed insurance partners; 1 ADP Blvd. Roseland, NJ 07068. CA license #0D04044. Licensed in 50 states. Certain services may not be available in all states. ADP's Pay-by-Pay is a payroll enhancement of ADP's payroll processing service. Clients must be using ADP's tax filing service to take advantage of ADP's Pay-by-Pay Premium Payment Program. *Upnetic Legal Services is Powered by Legal Club* (of America), a third-party provider.

**This information covers only the offering of the Pay-by-Pay Premium Payment Program for Workers' Compensation a payroll features of ADP's payroll processing services and does not involve the offer or sale of any insurance products. Clients must be using ADP's tax filing service to take advantage of the Payby-Pay Premium Payment program. While premium deposits may be eliminated with most carriers, mandatory state assessment fees may be required. ^Only registered representatives of ADPBD may offer and sell such retirement products and services or speak to retirement plan features and/or investment options available in any ADP retirement product. RESOLUTION NO. 119

A RESOLUTION OF THE PAUMA VALLEY COMMUNITY SERVICES DISTRICT ANNOUNCING VACANCY ON THE BOARD AND CALLING FOR ELECTION OF VACANT POSITION AT GENERAL ELECTION NOVEMBER 5th, 2024.

WHEREAS, the Pauma Valley Community Services District is a governmental agency duly organized and existing under the laws of the State of California;

WHEREAS, the Pauma Valley Community Services District has received the resignation of Board Member Jodie Lawston on May 6th, 2024;

WHEREAS, the Board position held by Ms. Lawston is up for election in 2026;

WHEREAS, the Pauma Valley Community Services District is subject to Government Code section 1780 concerning Board vacancies;

WHEREAS, the next general election in the County of San Diego will be the Presidential election to be held on November 5th, 2024;

WHEREAS, Government Code section 1780 (e)(1) allows a community service district to decide in lieu of making an appointment call for an election to fill a vacancy;

WHEREAS, Government Code section 1780 (e)(2) allows a community service district Board to call for an election if the next established election is more than 130 days after the Board calls for an election;

WHEREAS, Government Code section 1780 (h)(3) allows the person elected to fill the vacancy on the Board for the balance of the unexpired term of the office, which will be through November 2026;

NOW, THEREFORE, BE IT RESOLVED, by the Board of Directors of the Pauma Valley Community Services District, that:

- The Board Position of Jodie Lawston is vacant at the time of receipt of her resignation on May 6th, 2024.
- 2. The Board calls for an election of the vacant position to be filled at the next general election scheduled for November 5th, 2024.
- 3. The person elected to fill the vacant position will be for the unexpired balance of the term of office through November 2026.

This resolution shall take effect immediately upon adoption. ADOPTED AND APPROVED this May 28th, 2024, by the Board of Directors of Pauma Valley Community Services District.

AYES: NOES: ABSTAIN: ABSENT:

Mr. Roland Skumawitz, President of the Board of Directors

ATTEST:

Mr. Larry Curtis, Secretary of the Board of Directors

PAUMA VALLEY COMMUNITY SERVICES DISTRICT REQUEST FOR PROPOSALS FOR STORM DRAIN MAINTENANCE SERVICES

The Pauma Valley Community Services District (hereinafter "District") is soliciting proposals from qualified entities to provide storm drain maintenance services. This request seeks qualified contracting services to provide for the maintenance of approximately three thousand one hundred and ninety-two (**3,192**) feet of storm drainage infrastructure that includes underground storm drainage pipes and channels. Proposals may propose service to limited sections of the maintenance area as defined in "Exhibit A", or the entire area of requested maintenance as defined in "Exhibit A" ultimately found in "I.X. Attachments" of this Request for Proposal (hereinafter "RFP"). This infrastructure originates at private roadways within the Pauma Valley Country Club Estates, through the District's storm drainage conveyance system which then transitions to a drainage ditch located on the golf course ultimately terminating at the Upper San Luis Rey River. The intent is to establish a thorough initial "clean-up" followed by an optimal cleaning schedule tailored to the District's specific requirements. This "cleaning schedule" would be executed on an annual, or semiannual basis, excluding any as needed post response clean-up outlined in "IV. Scope of Services". The ideal proposal will bill the District via a "monthly basis" as opposed to an "upfront annual basis".

All questions relative to this project should be addressed in writing to the General Manager:

Eric Steinlicht

Pauma Valley Community Services District

Eric.Steinlicht@PaumaValleyCSD.ca.gov

Proposals will be received by the General Manager, <u>preferably via email</u>, at the email address listed above until **12:00 PM (local time) Thursday, May 23rd, 2024**.

The General Manager and District Board of Directors reserves the right to reject any or all Proposals and to waive any irregularities in the information contained therein.

I. INTRODUCTION

Qualified entities are invited to submit proposals that align with the District's needs for storm drain maintenance services. The proposal should detail strategies for an annual cleaning schedule, scope of area, and the maintenance of the specified storm drainage infrastructure. The District reserves the right to reject any or all proposals, waive minor deviations, or eliminate proposals with inaccurate or misleading information.

II. BACKGROUND

The Pauma Valley Community Services District, established in 1961 under California Government Code §61000, offers a range of services including security, gate access, and sewer and wastewater services. This RFP is issued in continuation of its mandate to enhance public safety, health, and welfare within its jurisdiction.

III. PURPOSE

The District seeks comprehensive maintenance services for its storm drain infrastructure to ensure efficient operation. Proposals from organizations with proven expertise in this field are solicited to meet these critical maintenance needs. Those interested in submitting proposals may do so based on a specific service area, that is limited to certain sections of the infrastructure defined in "Attachment A", and/or the entire storm drainage infrastructure in need of maintenance services as defined in "Attachment A".

IV. SCOPE OF SERVICES

The selected contractor will be required to:

- Review historical documents/data on the existing storm drain system.
- Conduct a kickoff meeting with written Work Plan (including Gantt chart and details about schedule) for 1-year of service.
- Monthly Progress Reports, followed by an Annual Technical Report.
- Perform Gap Analysis that identifies specific and necessary improvements to mitigate deficiencies and meet storm drainage and water quality objectives.
 - OR a simple Tech Memo that includes ideas for Capital Improvements in the future.
- Create Best Management Practices that support the sustainability of the Storm Drain and Stormwater System components, operation, and maintenance, with an objective to maximize cost efficiencies and reduce long-term liabilities.
- Define the precise area of work your organization proposes to perform based on "Attachment A".

- Create a payment schedule for the initial work, as well as ongoing maintenance services on a "monthly payment plan" basis, in addition to an upfront payment schedule.
 - An ongoing monthly payment plan is highly preferred and will be considered during the selection process.
- Provide necessary work in the case of an emergency,
- Provide cleanup after large or intense storms.
- Notification of illicit connections and discharges, with documentation.
- Notification of dry weather discharges at outfalls into the San Luis Rey River.
- Gain thorough knowledge of the storm drains and infrastructure needing maintenance.
- Assessment of the condition of storm drain infrastructure and reporting any damage or necessary repairs.
- Maintain effective communication with all relevant parties as directed by the General Manager and conduct regular meetings with the District's General Manager.
- Develop and adhere to the recommended cleaning schedule for regular inspection and cleaning of storm drain infrastructure.
- Removal of debris, sediment, and other obstructions from storm drain lines, catch basins, and other components.
- Implementation of erosion control measures as needed.
- Compliance with all relevant environmental regulations and permits.
- Minimize damage to the Pauma Valley Country Club golf course.
- Maintain professional conduct.
- Supply photographic evidence of maintenance areas pre-service and post-service.
- Provide a fee schedule based on a flat annual rate that can be paid via monthly payments.

V. PROPOSAL REQUIREMENTS

Proposals should be concise, limited to 3-5 pages (excluding references and credentials), and address the following:

- Experience and qualifications of the company and its personnel.
- Expertise and approach to storm drain maintenance.
- References from similar projects, particularly from California public agencies.
- Operational details, achievements, affiliations, legal history, and any additional qualifications.

Page **5** of **25**

- Disclosure of current and past clients within the District's boundaries and conflict of interest details.
- Proposed compensation structure.
- Insurance liability coverage and tax documentation (W9).

VI. SUBMITTAL REQUIREMENTS

Proposals must be submitted via email, or in five copies if provided via physical delivery, **by 12:00 PM local time on May 23rd, 2024**, to the attention of Eric Steinlicht, General Manager. The proposal must fulfill all stipulated requirements of this RFP to be considered.

VII. EVALUATION AND SELECTION PROCESS

Proposals will be evaluated based on their compliance, qualifications, proposed methodology, proposed area of service, and fee structure. The evaluation will be conducted by the Board of Directors or a Standing Committee. Proposals must include an executive summary, qualifications, fee proposal, references, and an acknowledgement of agreement with the RFP terms.

VIII. GENERAL CONDITIONS

The District reserves the right to modify or cancel the RFP language as described here:

- Act as an independent contractor.
- Adhere to non-discrimination policies.
- Claim ownership of work products.
- Require compliance with conflict-of-interest statutes.

Selected proposers must sign the Standard Professional Services Agreement as attached in this RFP as seen in "EXHIBIT B" and meet District insurance requirements.

Proposals become the property of the District and are subject to public record laws. By submitting a proposal, the proposer agrees to all conditions outlined in this RFP.

PROFESSIONAL SERVICES AGREEMENT BETWEEN THE PAUMA VALLEY COMMUNITY SERVICES DISTRICT AND (AWARDED CONTRACTOR) FOR STORM DRAIN MAINTENANCE AND CLEANING SERVICES

This Professional Services Agreement ("Agreement") is made on this (INSERT DAY) day of (INSERT MONTH), 2024, between PAUMA VALLEY COMMUNITY SERVICES DISTRICT ("PVCSD"), and (CONTRACTOR AWARDED) ("CONTRACTOR"), an independent contractor, with a principal place of business in (LOCATION), California.

ARTICLE 1 TERM OF CONTRACT

1.01 This Agreement will become effective on the date stated above, and will continue in effect until the earlier of the completion of services provided for in this Agreement or until terminated as provided under Article 7.

ARTICLE 2 SERVICES TO BE PERFORMED BY CONTRACTOR

Specific Services

2.01 CONTRACTOR will perform the deliverables within the scope described in "Exhibit A" found in "Attachment's on the Request for Proposal". CONTRACTOR will provide PVCSD with periodic reports regarding the progress of services performed, at request pf PVCSD. Any changes to the scope of services or timeframes identified in "Request for Proposal for Storm Drain Maintenance Services" must be authorized by PVCSD in writing and shall be set forth as an amendment to this Agreement.

2.02 CONTRACTOR will determine the method, details, and means of performing the above-described services.

Status of CONTRACTOR

2.03 CONTRACTOR and its employee(s) are engaged in an independent contractor relationship with PVCSD in performing all work, duties and obligations hereunder. PVCSD shall not exercise any control or direction over the methods by which CONTRACTOR shall perform its work and functions. PVCSD's sole interest and responsibility is to ensure that the services covered by this Agreement are

Page **13** of **25**

performed and rendered in a competent, satisfactory and legal manner. The parties agree that no work, act, commission or omission of CONTRACTOR or its employee(s) pursuant to this Agreement shall be construed to make CONTRACTOR or its employee(s) the agent, employee or servant of PVCSD. CONTRACTOR and its employee(s) are not entitled to receive from PVCSD vacation pay, sick leave, retirement benefits, Social Security, workers' compensation, disability benefits, unemployment benefits or any other employee benefit of any kind.

Payment of Income Taxes

2.04 CONTRACTOR shall be solely responsible for paying all federal and state employment and income taxes, for carrying workers' compensation insurance and for otherwise complying with all other employment law requirements with respect to CONTRACTOR or its employee(s).

2.05 To the maximum extent allowable by law, CONTRACTOR agrees to indemnify, defend and hold PVCSD harmless from any and all liability, damages or losses (including attorneys' fees, costs, penalties and fines) PVCSD suffers as a result of (a) CONTRACTOR's failure to meet is obligations under paragraph 2.04, or (b) a third party's designation of CONTRACTOR or its employee as an employee of PVCSD, regardless of any actual or alleged negligence by PVCSD.

Compliance with Laws/Rules

2.06 CONTRACTOR will perform all services under this Agreement in good faith and in the best interests of PVCSD. In performing the services specified in this Agreement, CONTRACTOR agrees to comply with all laws, rules, regulations and ordinances, whether federal, state or local, and any and all PVCSD policies, procedures, departmental rules and other directives applicable to the services to be performed and provided by PVCSD's Project Manager to the CONTRACTOR, including, but not limited to, PVCSD's Contractor Safety Policies and Procedures. Any changes to PVCSD policies and procedures that relate to CONTRACTOR will be provided to CONTRACTOR in writing. CONTRACTOR agrees to review such policies, procedures, rules and directives the contents of which CONTRACTOR will be deemed to have knowledge.

2.07 CONTRACTOR shall ensure that any report generated under this Agreement complies with California Government Code section 7550.

2.08 CONTRACTOR shall comply with all of the following requirements with respect to any services as a Building/Construction Inspector, Field Soils and Material Tester, or Land Surveyor, as those trades are defined by the California Department of Industrial Relations ("DIR").

2.08.1 CONTRACTOR agrees to comply with and require its subcontractors to comply with the requirements of California Labor Code sections 1720 et seq. and 1770 et seq., and California Code of Regulations, title 8, section 16000 et seq. (collectively, "Prevailing Wage Laws") and any additional applicable California Labor Code provisions related to such work including without limitation payroll recordkeeping requirements. CONTRACTOR and its subcontractors shall pay not less than the prevailing rate of per diem wages as determined by the Director of the DIR for all services described in Section 2.08 of this Agreement and as required by law. The general prevailing wage determinations can be found on the DIR website at: http://www.dir.ca.gov/dslr. Copies of the prevailing rate of per diem wages as determined by law. The general prevailing wage determinations can be found on the DIR website at: http://www.dir.ca.gov/dslr. Copies of the prevailing rate of per diem wages may be accessed at PVCSD's administrative office, and shall be made available upon request. CONTRACTOR shall make copies of the prevailing rates of per diem wages for each craft,

Page **14** of **25**

classification or type of worker needed to execute the services described in Section 2.08 of this Agreement available to interested parties upon request, and shall post and maintain copies at CONTRACTOR'S principal place of business and at all site(s) where services are performed. Penalties for violation of Prevailing Wage Laws may be assessed in accordance with such laws. For example, CONTRACTOR shall forfeit, as a penalty to PVCSD, Two Hundred Dollars (\$200) for each calendar day, or portion thereof, for each workman paid less than stipulated prevailing rates for services performed under this Agreement by him, or any subcontractor under him, in violation of Prevailing Wage Laws. CONTRACTOR shall defend, indemnify and hold PVCSD and each of their respective officials, officers, directors, employees, agents and volunteers free and harmless from any claims, liabilities, costs, penalties or interest arising out of the failure or alleged failure of CONTRACTOR or its subcontractors to comply with Prevailing Wage Laws.

- 2.08.2 CONTRACTOR and each of its subcontractors shall keep accurate payroll records showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker or other employee employed by CONTRACTOR or subcontractor in connection with the services performed pursuant to this Agreement. Each payroll shall be certified, available for inspection, and copies thereof furnished as prescribed in California Labor Code section 1776, including any required redactions. CONTRACTOR shall keep PVCSD informed as to the location of the records and shall be responsible for the compliance with these requirements by all subcontractors. CONTRACTOR shall inform PVCSD of the location of the payroll records, including the street address, city and county and shall, within five (5) working days, provide a notice of any change of location and address. Penalties for noncompliance include a forfeiture of One Hundred Dollars (\$100) per calendar day, or portion thereof, for each worker until strict compliance is effectuated, which may be deducted from any moneys due CONTRACTOR.
- 2.08.3 Eight (8) hours of work shall constitute a legal day's work. CONTRACTOR and any subcontractors shall forfeit, as a penalty to PVCSD, Twenty-Five Dollars (\$25) for each worker employed in the execution of services pursuant to this Agreement by CONTRACTOR or any of its subcontractors for each calendar day during which such worker is required or permitted to work more than eight (8) hours in any one (1) calendar day and forty (40) hours in any calendar week in violation of the provisions of the California Labor Code, in particular, sections 1810 to 1815, thereof, inclusive, except services performed by employees of CONTRACTOR and its subcontractors in excess of eight (8) hours per day at not less than one and one-half (1 ½) times the basic rate of pay, as provided in California Labor Code section 1815.
- 2.08.4 CONTRACTOR'S attention is directed to the provisions of California Labor Code sections 1777.5, 1777.6 and 1777.7 concerning employment of apprentices by CONTRACTOR or any of its subcontractors. If applicable to the services to be performed under this Agreement, CONTRACTOR shall comply with such apprenticeship requirements and submit apprentice information to PVCSD. Information relative to apprenticeship standards, wage schedules and other requirements may be obtained from the DIR or from the Division of Apprenticeship Standards. Knowing violations of section 1777.5 will result in forfeiture not to exceed One Hundred Dollars (\$100) for each calendar day of non-compliance pursuant to section 1777.7.
- 2.08.5 CONTRACTOR shall require any subcontractors performing services under this Agreement to comply with all of the above.

ARTICLE 3 PROJECT TEAM

3.01 PVCSD has a primary interest in maintaining the individual services of the following key project team members:

1. (CONTRACTOR AWARDED PRINCIPAL IN CHARGE), CONTRACTOR

No member of the project team shall be removed from the project team or reassigned by CONTRACTOR without prior approval of PVCSD. Such approval shall not be unreasonably withheld or delayed. CONTRACTOR shall be required to immediately inform PVCSD should any of the key members become unavailable. The credentials for substitutes for key project members must be submitted to PVCSD for review and approval. An interview may also be required if so desired by PVCSD.

ARTICLE 4 COMPENSATION

4.01 Compensation for all work performed under this Agreement shall be calculated on a time and materials basis. Compensation for the services described in Attachment A shall not exceed (TO BE DETERMINED) (\$). This amount shall not be exceeded unless there is a change in scope of work, in writing and agreed to by both parties and set forth in an amendment to this Agreement. Such amendment shall identify any change in compensation as a result of the change in scope of work. The parties agree that this compensation was developed in accordance with the customary and prevailing compensation level in the community and surrounding area for comparable services. CONTRACTOR and PVCSD agree that this fee was arrived at through arm's length negotiations between the parties.

Payment of Expenses and Monthly Invoices

4.02 PVCSD will reimburse CONTRACTOR for all reasonable expenses incurred in performing services under this Agreement as the work progresses, provided that such reasonable expenses shall be included in and subject to the maximum compensation amount stated above in Section 4.01. CONTRACTOR shall submit invoices to PVCSD'S Project Manager once per month. Such invoices shall include a brief narrative description of the work performed, as well as detailed time expenditures on a task-by-task basis pursuant to Attachment A. The term "expenses" means telephone bills, and federal express charges, mailing charges and any other pre-approved expenses by PVCSD. CONTRACTOR will provide PVCSD with receipts for all expenses. PVCSD shall make payment to CONTRACTOR within forty- five (45) days of receipt of an approved invoice.

ARTICLE 5 OBLIGATIONS OF CONTRACTOR

Non-Exclusive Relationship

5.01 CONTRACTOR may represent, perform services for, and contract with as many additional clients, persons, or companies as CONTRACTOR, in its sole discretion, sees fit.

Tools, Materials, and Equipment

5.02 CONTRACTOR will supply all tools materials, and equipment required to perform the services under this Agreement.

CONTRACTOR's Qualifications

5.03 CONTRACTOR represents that its employee(s) has the qualifications and skills necessary to perform the services under this Agreement in a competent, professional manner, without the advice or direction of PVCSD. This means CONTRACTOR is able to fulfill the requirements of this Agreement. Failure to perform all the services required under this Agreement constitutes a material breach of the Agreement. CONTRACTOR has complete and sole discretion for the manner in which the work under this Agreement will be performed. Acceptance by PVCSD of reports, and incidental professional work or materials furnished hereunder, shall not in any way relieve CONTRACTOR of responsibility for the technical adequacy of its work. Neither PVCSD's acceptance of, nor payment for any of the services, shall be construed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement.

Indemnity, Hold Harmless and Defense

- 5.04 To the maximum extent allowable by law, CONTRACTOR agrees to indemnify, defend, and hold PVCSD and each of their respective officials, officers, directors, employees, agents and volunteers (collectively referred to as the "Indemnified Parties") free and harmless from all claims, demands, losses, costs, expenses, obligations, liabilities, damages, recoveries, and deficiencies, including interest, penalties, attorneys' fees, and costs (collectively referred to as "Liabilities") that such entities or persons may incur that pertain to, arise out of or relate to or are in any manner directly or indirectly connected with the services to be performed pursuant to this Agreement, however caused, including any errors, acts or omissions of CONTRACTOR, including CONTRACTOR's officers, officials, directors, employees, subcontractors, agents, representatives, volunteers, successors, assigns or anyone for whom CONTRACTOR is legally responsible, or a breach by CONTRACTOR of any representation or agreement contained in this Agreement. CONTRACTOR's indemnification, hold harmless and defense obligation shall apply regardless of any negligence of Indemnified Parties, except to the extent caused by the sole negligence or willful misconduct of the Indemnified Parties.
- 5.04.1 CONTRACTOR shall cooperate with and do whatever is necessary to protect Indemnified Parties from any such Liabilities.

5.04.2 CONTRACTOR shall defend Indemnified Parties, at CONTRACTOR's own cost, expense and risk, from any and all such aforesaid Liabilities asserted in claims, demands, actions, causes of action, arbitration, mediations or other proceedings of any kind that may be brought or instituted against Indemnified Parties. CONTRACTOR and Indemnified Parties shall be jointly represented by legal counsel, unless there is a conflict of interest, and CONTRACTOR shall pay Indemnified Parties' reasonable attorneys' fees and costs as they are incurred. Indemnified Parties shall be consulted regarding and approve the selection of legal counsel. Should separate legal counsel be necessary for Indemnified Parties, as determined by PVCSD, CONTRACTOR shall pay for the reasonable attorneys' fees and costs fees, as such fees and costs are incurred and within thirty (30) days of receipt of an invoice, for Indemnified Parties' legal counsel in addition to CONTRACTOR's own legal fees and costs. In all circumstances, Indemnified Parties reserve the right to retain their own attorneys. CONTRACTOR shall not agree without Indemnified Parties' prior written consent to any

Page **17** of **25**

settlement on Indemnified Parties' behalf.

- 5.04.3 If CONTRACTOR is obligated to defend Indemnified Parties pursuant to this Article 5, Section 5.04, and fails to do so after reasonable notice from PVCSD, Indemnified Parties may defend themselves and/or settle such claims, suit or assertion, and CONTRACTOR shall pay to Indemnified Parties any and all Liabilities incurred in relationship with Indemnified Parties' defense and/or settlement of such proceeding.
- 5.04.4 CONTRACTOR shall pay and satisfy any judgment, award, liability or decree that may be awarded, imposed or rendered against Indemnified Parties as a result of any claims, demands, suits, actions, causes of action, arbitrations, mediations or other proceedings whether legal, administrative or otherwise, including any settlement related thereto.

5.04.5 CONTRACTOR's indemnification, hold harmless and defense obligation shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for CONTRACTOR, subcontractor, supplier or other person under workers' compensation acts, disability acts or other employee acts or the insurance required by this Agreement. CONTRACTOR's indemnification, hold harmless and defense obligation shall not be restricted to insurance proceeds, if any, received by CONTRACTOR or Indemnified Parties. Provision of insurance coverage as required by this Agreement shall not affect CONTRACTOR's indemnify obligations.

5.04.6 CONTRACTOR's indemnification, hold harmless and defense obligation shall survive the termination of expiration of this Agreement.

Insurance

5.05 CONTRACTOR shall procure and maintain in full force and effect for the duration of this Agreement, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by CONTRACTOR, its agents, representatives, employees or subcontractors. Insurance policies shall be on an occurrence basis, and coverage shall be at least as broad and in the minimum amounts as follows:

5.05.1 California Workers' Compensation Insurance, as required by the State of California, with statutory limits.

5.05.2 General Liability Insurance [occurrence form CG 0001], covering bodily injury, personal injury and property damage with a combined single limit of no less than Two Million Dollars (\$2,000,000) per occurrence, and a minimum annual aggregate of Two Million Dollars (\$2,000,000). If Commercial General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be three times the required occurrence limit.

5.05.3 Automobile Liability Insurance [form number CA 0001, covering code 1 (any auto)] covering bodily injury and property damage, with a combined single limit of no less than One Million Dollars (\$1,000,000) per claim for bodily injury and property damage.

5.05.4 Employer's Liability Insurance with a combined single limit of no less than One Million Dollars (\$1,000,000) per claim for bodily injury or disease.

Page **18** of **25**

- 5.05.5 Error and Omissions Insurance appropriate to CONTRACTOR's services, with a combined single limit of no less than One Million Dollars (\$1,000,000) per claim, and Two Million Dollars (\$2,000,000) policy aggregate.
 - 5.06 The following are required provisions:
- 5.06.1 CONTRACTOR will provide additional insured insurance coverage and policy endorsements for PVCSD and each of their respective officers, officials, directors, employees, volunteers or agents (collectively referred to as the "Insured Parties") under the general liability and automobile liability policies. The coverage shall contain no special limitations on the scope of protection afforded to the Insured Parties. General liability coverage can be provided in the form of an endorsement to CONTRACTOR's insurance (at least as broad as ISO Form CG 20 10, 11 85, or both CG 20 10 and CG 20 37 forms if later revisions to CG 20 10 are used).

5.06.2 CONTRACTOR's insurance shall be primary insurance as respects Insured Parties, and each of them. Any insurance, self-insurance or other coverage maintained by Insured Parties shall be excess of CONTRACTOR's insurance and shall not contribute to it.

5.06.3 Any failure to comply with reporting or other provisions of the policies including breaches of warranties shall not affect coverage provided to Insured Parties.

5.06.4 CONTRACTOR'S insurance shall apply separately to each insured against whom a claim is made or suit is brought, except with respect to the limits of insurer's liability.

5.06.5 Liability insurance shall include indemnification against loss from liability imposed by law upon, or assumed under contract by, CONTRACTOR or its subcontractors for damages on account of bodily injury, including death resulting therefrom, suffered or alleged to have been suffered by any person or persons, other than employees, resulting from the performance or execution of this Agreement by CONTRACTOR or its subcontractors.

5.06.6 Liability insurance shall cover accidents arising out of the use and operation of owned, non-owned and hired automobiles, trucks and/or other mobile equipment.

5.06.7 Each insurance policy required by this Agreement shall be endorsed to state that coverage shall not be cancelled or materially modified by the insured or insurer without thirty (30) days prior written notice by certified mail to PVCSD.

5.06.8 All policies shall specifically cover any contractual liability incurred hereunder.

5.07 CONTRACTOR hereby agrees to waive rights of subrogation which any insurer of CONTRACTOR may acquire from CONTRACTOR by virtue of the payment of any loss. CONTRACTOR agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of Insured Parties for all work performed by CONTRACTOR, its employees, agents and subcontractors.

5.08 Insurance will be purchased from insurance companies with a current A.M. Best's rating of no less than A:VII, unless otherwise agreed to in writing by PVCSD.

5.09 Any deductibles or self-insured retention limits must be disclosed to and approved by PVCSD prior to the execution of this Agreement. At the option of PVCSD, either: the insurer shall reduce or eliminate

such deductibles as respects the Insured Parties; or CONTRACTOR shall provide a financial guarantee satisfactory to PVCSD guaranteeing payment of losses and related investigations, claim administration, and defense expenses.

- 5.10 CONTRACTOR will furnish PVCSD with certificates of insurance prior to the commencement of work under this Agreement, and as may be periodically requested by PVCSD. CONTRACTOR shall include all endorsements necessary to comply with this Agreement, including additional insured endorsements, signed by the insurer's representative. Such evidence shall include confirmation that coverage includes or has been modified to include all provisions required by this Agreement. CONTRACTOR shall, upon request of PVCSD at any time, deliver to PVCSD complete, certified copies of the policies of insurance, including endorsements, and receipts for payment or premiums thereon, required by this Agreement. Failure to obtain the required documents prior to the work beginning shall not waive CONTRACTOR's obligation to provide them.
- 5.11 If any of the required coverages expire during the term of this Agreement, CONTRACTOR shall deliver the renewed certificate(s) including the general liability and auto liability additional insured endorsements to PVCSD at least ten (10) days prior to the expiration date.

5.12 In the event that CONTRACTOR employs subcontractors to perform any portion of the services to be performed pursuant to this Agreement, it shall be CONTRACTOR's responsibility to require and confirm that each subcontractor meets the minimum insurance requirements specified in this Agreement.

Conflict of Interest

5.13 Upon the award of this Agreement and periodically thereafter, CONTRACTOR may be required to complete and file with PVCSD a Conflict of Interest form, to be provided to CONTRACTOR by PVCSD.

Assignment

5.14 Neither this Agreement nor any duties or obligations under this Agreement may be assigned or subcontracted by CONTRACTOR without the prior written consent of PVCSD. PVCSD has entered into this Agreement in order to receive the professional services of CONTRACTOR. The provisions of this Agreement shall apply to any subcontractor to CONTRACTOR. PVCSD shall have the right to approve any subcontractor agreements, in addition to the written consent required by this Section 5.14.

Safety

5.15 CONTRACTOR shall be solely and completely responsible for the safety of all CONTRACTOR personnel, including personnel of any subcontractors, during performance of the services. CONTRACTOR shall fully comply with all laws, rules, regulations and ordinances relating to safety of the public and workers, whether federal, state or local. CONTRACTOR shall also comply with all contract provisions and PVCSD's policies, procedures, departmental rules and other directives, as provided by PVCSD's Project Manager to CONTRACTOR, relating to the safety of the public and workers, including, but not limited to, PVCSD's Contractor Safety Policies and Procedures and any project specific requirements.

ARTICLE 6 OBLIGATIONS OF PVCSD

6.01 PVCSD agrees to comply with all reasonable requests of CONTRACTOR and provide access to all documents reasonably necessary to the performance of CONTRACTOR's duties under this Agreement.

Place of Work

6.02 PVCSD agrees to furnish space on PVCSD premises for use by CONTRACTOR while performing the above-described services.

Indemnity

6.03 PVCSD agrees to indemnify, defend, and hold CONTRACTOR free and harmless from all claims, demand, losses, costs, expenses, obligations, liabilities, damages, recoveries, and deficiencies, including interest, penalties, attorneys' fees, and costs, that CONTRACTOR may incur as a result of a breach by PVCSD of any representation or agreement contained in this Agreement.

ARTICLE 7 TERMINATION OF AGREEMENT

Termination for Default

7.01 If either party defaults in the performance of this Agreement or materially breaches any of its provisions, the non-breaching party may immediately terminate this Agreement by giving written notification to the breaching party. Termination will take effect immediately on receipt of notice by the breaching party or five (5) days after mailing of notice, whichever occurs first. For the purposes of this paragraph, material breach of this Agreement includes, but is not limited to, the following:

- 7.01.1 CONTRACTOR's failure to complete the services specified in Article 2 of this Agreement.
- 7.01.2 CONTRACTOR's material breach of any representation or term contained in this Agreement.
- 7.01.3 PVCSD's material breach of any representation or agreement contained in this Agreement.

Termination Without Cause

7.02 Either party may terminate this Agreement without cause upon thirty (30) days written notice.

Compensation Upon Termination

7.03 Upon termination by either party under Sections 7.01 or 7.02 above, PVCSD will pay to CONTRACTOR any outstanding service fees minus any costs reasonably incurred by PVCSD related to CONTRACTOR's services under this Agreement prior to the notice of termination.

ARTICLE 8 PROPRIETARY RIGHTS

Confidential Information

- 8.01 Any written, printed, graphic, or electronically or magnetically recorded information furnished by PVCSD for CONTRACTOR's use are the sole property of PVCSD. This proprietary information includes, but is not limited to, customer requirements, customer lists, marketing information, and information concerning PVCSD employees, products, services, prices, operations, and subsidiaries.
- 8.02 CONTRACTOR and its employee(s) will keep this confidential information in the strictest confidence, and will not disclose it by any means to any person except with PVCSD approval, and only to the extent necessary to perform the services under this Agreement. This prohibition also applies to CONTRACTOR's employees, agents, and subcontractors. On termination of this Agreement, CONTRACTOR will promptly return any confidential information in its possession to PVCSD.

ARTICLE 9 GENERAL PROVISIONS

Notices

9.01 Any notices required to be given under this Agreement by either party to the other may be effected by personal delivery in writing or by mail, first class, registered or certified, postage prepaid with return receipt requested. Mailed notices must be addressed to the parties at the addresses below, but each party may change the address by giving written notice in accordance with this paragraph. Notices delivered personally will be deemed communicated as of actual receipt; mailed notices will be deemed communicated as of the day of receipt or the fifth (5th) day after mailing, whichever occurs first.

| To PVCSD: | Pauma Valley Community Services District 33129 Cole Grade Road Pauma Valley, California 92061 Attention: Eric Steinlicht, General Manager |
|----------------|---|
| To CONTRACTOR: | (CONTRACTOR AWARDED) |
| | (CITY), California (ZIP) Attention: (PRINCIPAL IN CHARGE), Project Manager |

Entire Agreement of the Parties

9.02 This Agreement contains the entire understanding between the parties hereto with respect to the subject matter hereof, and supersedes all prior and contemporaneous agreements and understandings, inducements, or conditions, express or implied, oral or written, except as herein contained. The express terms hereof control and supersede any course of performance and/or usage of the trade inconsistent with any of the terms hereof. This Agreement may not be modified or

Page 22 of 25

amended other than by an agreement in writing signed by the parties.

Partial Invalidity

9.03 If any non-material provision of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will continue in full force and effect without being impaired or invalidated in any way.

Attorneys' Fees

9.04 If any legal action, including an action for declaratory relief, is brought to enforce or interpret the provisions of this Agreement, the prevailing party will be entitled to reasonable attorneys' fees, which may be set by the court in the same action or in a separate action brought for that purpose, in addition to any other relief to which that party may be entitled.

Document and Materials Ownership

9.05 All original drawings, diskettes, and other copies of documents and materials developed for the project, including detailed calculations, shall be furnished to and become the property of PVCSD. PVCSD agrees to indemnify CONTRACTOR for claims, damages, or liabilities caused by any use by PVCSD of the plans, drawings, specifications, and all information gathered by CONTRACTOR on any project other than the one for which such plans, drawings, and specifications were prepared and information gathered by CONTRACTOR.

Patent and Copyright Indemnity

9.06 CONTRACTOR represents that it knows of no allegations, claims, or threatened claims that the materials, services, hardware or software ("Contractor Products") provided to PVCSD under this Agreement infringe any patent, copyright or other proprietary right. CONTRACTOR shall defend, indemnify and hold harmless PVCSD from and against all losses, claims, damages, liabilities, costs expenses and amounts (collectively, "Losses") arising out of or in connection with an assertion that any Contractor Products or the use thereof, infringe any patent, copyright or other proprietary right of any third party. PVCSD will: (1) notify CONTRACTOR promptly of such claim, suit or assertion; (2) permit CONTRACTOR to defend, compromise, or settle the claim; and, (3) provide, on a reasonable basis, information to enable CONTRACTOR to do so. CONTRACTOR shall not agree without PVCSD's prior written consent to any settlement which would require PVCSD to pay money or perform some affirmative act in order to continue using Contractor Products.

9.06.1 If CONTRACTOR is obligated to defend PVCSD pursuant to this section 9.06 and fails to do so after reasonable notice from PVCSD, PVCSD may defend itself and/or settle such proceeding, and CONTRACTOR shall pay to PVCSD any and all losses, damages and expenses (including attorney's fees and costs) incurred in relationship with PVCSD's defense and/or settlement of such proceeding.

9.06.2 In the case of any such claim of infringement, CONTRACTOR shall either, at its option, (1) procure for PVCSD the right to continue using Contractor Products; or (2) replace or modify Contractor Products so that that they become non-infringing, but equivalent in functionality and performance.

9.06.3 Notwithstanding this section 9.06, PVCSD retains the right and ability to defend itself, at its own expense, against any claims that Contractor Products infringe any patent, copyright, or other intellectual property right.

9.06.4 All provisions of Section 5.04, including the subsections thereunder, shall apply to CONTRACTOR's obligation pursuant to this Section 9.06.

Audits

9.07 If this Agreement involves an expenditure of public funds in excess of Ten Thousand Dollars (\$10,000), the Agreement is subject to examination and audit of the State Auditor, at the request of PVCSD or as part of any audit of PVCSD, for a period of three (3) years after final payment under the Agreement. CONTRACTOR shall cooperate with PVCSD, including any authorized representative of PVCSD, regarding such audit at no charge to PVCSD.

Counterparts

9.08 This Agreement may be executed in counterparts, each of which shall constitute an original, but all of which together shall constitute one and the same agreement, and the signature of any party to any counterpart shall be deemed a signature to, and may be appended to, any other counterpart.

Provisions Required By Law

9.09 Each and every provision of law and clause required by law to be inserted in this Agreement shall be deemed to be inserted herein, and the Agreement shall be read and enforced as though they were included herein. If through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the request of either party, the Agreement shall forthwith be physically amended to make such insertion.

Governing Law

9.10 This Agreement and all questions relating to its validity, interpretation, performance, and enforcement (including, without limitation, provisions concerning limitations of actions), shall be governed by and construed in accordance with the laws of the State of California, notwithstanding any conflict-of-laws doctrines of such state or other jurisdiction to the contrary and without the aid of any canon, custom, or rule of law requiring construction against the draftsman.

Jurisdiction, Forum and Venue

9.11 The proper jurisdiction, forum and venue for any claims, causes of action or other proceedings concerning this Agreement shall be in the state and federal courts located in the State of California, County of San Diego. PVCSD and CONTRACTOR agree not to bring any action or proceeding arising out of or relating to this Agreement in any other jurisdiction, forum or venue. PVCSD and CONTRACTOR hereby submit to personal jurisdiction in the State of California for the enforcement of this Agreement and hereby waive any and all personal rights under the law of any state to object to jurisdiction within the State of California for the purposes of any legal action or proceeding to enforce this Agreement, whether on grounds of inconvenient forum or otherwise.

Signature Authority

9.12 PVCSD and CONTRACTOR do covenant that the individual executing this Agreement on their behalf is a person duly authorized and empowered to execute this Agreement for such party.

Executed in San Diego County, California, on (INSERT DATE OF SIGNING).

PAUMA VALLEY COMMUNITY SERVICES DISTRICT

CONTRACTOR

By:_

Eric Steinlicht, General Manager

(AUTHORIZED SINGER), Contractor

In order to achieve maximum efficiency and economy in maintaining certain drainage areas which affect each of The Pauma Valley Country Club ("the Club"), Pauma Valley Community Services District ("the District") and Pauma Valley Roadway Association ("the Roadway Association"), the following division of responsibility is endorsed and accepted by each of the parties:

- Except with respect to the drainage ditch that parallels the 8th fairway, the Club at its own expense will clean and keep unobstructed all concrete drainage ditches located on Club property or in the riverbed, whether or not included within an easement dedicated to the District. The Club will keep the drainage ditch that parallels the 8th fairway unobstructed and the District will reimburse the Club for its actual cost of time and materials in doing such work.
- 2. Sand and other debris deposited by the San Luis Rey River will be removed at the expense of the Club from the golf course and other Club property, including the riverbed, and at the expense of the Roadway Association from all roads upon which it has an easement, including the Pauma Valley Drive crossing of the river.
- 3. The District will remove at its expense sand and debris from the riverbed as and when In Its judgment such work should be done.
- 4. The parties further agree to cooperate fully with each other as unanticipated problems arise with respect to drainage and debris accumulation so as to minimize the expense of resolving such problems and to expedite their resolution.

CORPORATE RESOLUTION OF DOWNSTREAM SERVICES, INC.

[CORPORATE SEAL]

CERTIFICATE OF SECRETARY

The Secretary of the Corporation hereby certifies that he/she is the duly elected and qualified Secretary of Downstream Services, Inc. and certifies that the above is a true and correct record of the resolution that was duly adopted by the Directors and Shareholders of the Corporation on January 01, 2024.

Loren Wynne, Secretary

Page 2

Section 1: Company Introduction / Executive Summary

Downstream Services, Inc. [DSI] is a certified small business enterprise, recognized for its dynamic approach and professionalism within the environmental industry. We specialize in the assessment, maintenance, and rehabilitation of stormwater, wastewater, and underground utility systems. Currently, Downstream Services retains 77 employees between our two locations, which include our Corporate Office located in Escondido, CA and our satellite office located in Ventura, CA. Some of the services we provide include pipeline cleaning/hydro-jetting, CCTV inspection for condition assessment per the national standard (NASSCO PACP), pipeline rehabilitation, storm water compliance, pump station maintenance and instrumentation, and the underground installation of wet utilities.

DSI has continuously provided critical solutions in environmental compliance for over 21 years through working with private owners, county/city agencies and state or federal facilities. Our team of technicians and operators are skilled cleaning and maintenance professionals who excel in expeditious situations while ensuring environmental compliance is being followed and proper reporting is being conducted. Downstream Services also staff underground repair specialists who can tackle a number of steel, concrete, or cured in place structure repairs.

Downstream Services is a turnkey environmental firm. We perform inspections, maintenance, and repairs for a variety of systems without the need of subcontractors. Due to our ability to complete these various scopes without subs, our communication from the field to the Client is streamlined. Our highly skilled personnel and substantial fleet of specialty equipment serves the needs of California communities, delivering quality service and customer experience that is centered on the client's goals and objectives. By taking the time to truly listen to and understand our customers, we ensure the best possible outcome for every project, regardless of its size or complexity.

Downstream Services has an equally experienced office staff comprised of professionals who are equipped to manage difficult and multifaceted jobs. These individuals can provide the engineering and technical support necessary to ensure the field staff can successfully perform all work on time and on budget.

Section 2: Qualification & Experience of the Firm

Downstream Services, Inc. is a family operated business owned and managed by Loren Wynne, President (formally Roberts), and Clark Roberts, Vice President. Formally owned and managed by Wilma and Victor Roberts. Due to the tenure of Downstream Services within the Municipal communities of Southern California, we provide a unique service offering. We pride ourselves on the strong relationships we have built based on our performance, commitment, and professionalism. Our experience, the quality and workmanship in the field, along with the communication and client services from our headquarters, is the backbone of our success in providing unparallel services within the environmental sector.

The experience and skill set of our technicians will ensure efficiency and safety when cleaning and maintaining the units outlined in this scope of work; 3,192 feet of storm drainage infrastructure, including underground drainage pipes and channels, kick-off meeting with work plan, monthly progress reports, deliverable requirements, providing gap analysis and BMP sustainability plan.

2.1 Stormwater Primary Project Team, providing services and on-going support.

For the scope outlined in this proposal, Downstream Services Corporate Office (located in Escondido, CA) will be handling the execution of this project. The key team members assigned to this scope of services will include the following:

2.1.1 Management, (See attached Resumes)

- Robert Carr Project Manager
 - To maintain communication with the city on a regular basis. The Project Manager will provide progress updates, a look ahead schedule, discuss challenges, and invoicing. The Project Manager will be the main point of contact regarding progress updates, invoicing, and contractual discussions.
- o Aaron Santamaria Superintendent
 - To visit field crew frequently, monitor field progress, check on QA/QC of the sites, and report necessary information to the Project Manager and the on-site contact for the city. The Superintendent will be the day-to-day contact regarding operations for the city.
- Rebecca Readel Assistant Project Manager II (APM II)
 - To assist with mobilization and demobilization of the on-site yard, scheduling disposal of TTU bins, monitoring field progress on an as-needed basis, and act as an alternate when the Project Manager or Superintendent is unavailable. The APM II will be the day-to-day contact regarding operations for the city when the Superintendent is unavailable.
- Christine Gallegos Assistant Project Manager I (APM I)
 - To assist with day-to-day scheduling, tracking project progress, and QA/QC of inspection & cleaning data (data management).

2.1.2 Field Staff

- Stormwater Operator:
 - Alejandro Ferrufino (Operator II)
 - 2.5 years' experience as Combo Jet/Vac truck Operator
 - Class B CDL with Tanker Endorsement
 - o Leo Trejo-Perez (Operator I)
 - 3 years' experience as Combo Jet/Vac truck Operator
 - Class A CDL with Tanker and Hazardous Material Endorsement
- Stormwater Technician II:
 - o Alex Santamaria
 - 4.5 years' experience as 800 Gallon Pumper Operator & Stormwater Technician
 - o Yordi Ortega
 - 3.5 years' experience as 800 Gallon Pumper Operator & Stormwater Technician
 - Arturo Rodriguez
 - 2 years' experience as 800 Gallon Pumper Operator & Stormwater Technician
 - o Jovanny Aragon
 - 2.5 years' experience as 800 Gallon Pumper Operator & Stormwater Technician
 - o Shane Barnes
 - 1.5 years' experience as 800 Gallon Pumper Operator & Stormwater Technician
- Stormwater Technician I:
 - o Maynor Maldonado
 - 5 years' experience as 800 Gallon Pumper Operator & Stormwater Technician
 - o Joel Garcia
 - 1 year experience as 800 Gallon Pumper Operator & Stormwater Technician
 - o William Toten
 - 1 year experience as 800 Gallon Pumper Operator & Stormwater Technician
 - o Andres Lopez
 - 0.5 years' experience as 800 Gallon Pumper Operator & Stormwater Technician
 - o Alex Mancilla
 - 0.5 years' experience as 800 Gallon Pumper Operator & Stormwater Technician

Section 3: Project References

Downstream has provided storm water cleaning services for over 15 years, including the City of Oceanside, City of Newport Beach, the City of Carlsbad, and the City of Irvine within the last 3 years.

| Client | Contract Years | Scope | Annual \$ |
|-----------------------------------|----------------------------|---|-------------------------|
| City of Oceanside | 2016 - 2019 2022 - 2025 | 3,585 Catch Basin Cleanings Annually with traffic control. Work performed between | \$813,477.00 Current |
| Juan Soriano | | the months of July and November annually | Contract |

| | | Cartridges in one unit and (460) in another. | |

Section 4: Project Approach and Understanding

Per this project's specifications, DSI will provide Maintenance of approximately three thousand one hundred and ninety-two (3,192) feet of storm drainage infrastructure that includes underground storm drainage pipes and channels. Removal of debris, sediment, and other obstructions from storm drain lines, catch basins, and other components. All work will be conducted in compliance with applicable rules and regulations as set forth by the State Water Resources Control Board, the City's Municipal Code, the City's (NPDES - Stormwater Permit), Environmental Protection Agency (EPA) Federal Clean Water Act, Resource Conservation and Recovery Act (RCRA) and all other applicable City policies, procedures and permitting requirements.

4.1 Pipe Bucket Machine Cleaning SOP

The cleaning of the storm drain pipes running down Paauwe Drive and Tukwut Court (EXHIBITS A.3, A.4, & A.5) will consist of two parts. The downstream half cleaning (Stage 1) of the storm drain pipe starting at Paauwe Drive and Tukwut Court, and ending at the outfalls in the golf course (EXHIBITS A.4, & A.5) will be cleaned using a Bucket Machine crew with (2) Operators and (1) Laborer. The Bucket Machine is a 2-piece mechanical cleaning system that utilizes heavy duty cable, winches, pullies, and a bucket to remove debris from storm drain lines. One part of the machine will be set at the upstream end of the storm drain line, and the second part of the machine will be on the downstream end. A cable from one machine will be routed through the storm drain line, and connected to a "bucket". The other side of the "bucket" will be connected to the second machine. The "bucket" will then be pulled back and forth through the storm drain line, picking up debris along the way. When the bucket reaches the downstream end, the debris will be dumped out of the bucket, and the process will be repeated until the pipe is clean. Each side of the bucket machine requires an operator, and both operators will communicate with each other to perform this operation. One Laborer will be on the downstream end to assist the bucket machine operator with clearing the debris out of the bucket. The debris will remain stockpiled near the downstream outfall until the pipe is cleaned, a skid steer will move the stockpile into a Roll-off Truck to be hauled away for proper disposal. A Superintendent/Foreman will be on-site various times throughout the project ensuring the work is being performed as expected and within the estimated timeframe. This second stage of pipe cleaning is expected to take 15 days for Tukwut Court, 12 days for Paauwe Drive, and may need to be split up into multiple phases to avoid large stockpiles of debris.

4.2 Pipe Combo Truck Cleaning SOP

The upstream half (Stage 2) of the storm drain pipes will be cleaned with a Camel Jet/Vac Combo truck utilizing hydro-jetting and vacuum power to remove the debris from the storm drain lines. This process includes (1) Jet/Vac Combo truck with Operator, and (1) Laborer. DSI will start by cleaning the furthest upstream storm drain line and work down toward the downstream end. Each segment of pipe will be cleaned from the downstream access point, jetting towards the upstream access point. DSI will remove all debris, sediment, and other obstructions from the storm drain pipes, and will dispose of the debris in a Transportable Treatment Unit (TTU) disposal bin. The TTU bins separate the solid waste from the liquid waste, which is necessary for proper hauling and disposal. The liquid waste will be removed from the "false bottom" of the TTU bin and disposed of in a sewer manhole provided by PVCSD. Once the debris in the TTU bin is dry enough to haul, a Roll-off Truck with Operator/Driver will haul the debris to an

appropriate disposal site. A Superintendent/Foreman will be on-site various times throughout the project ensuring the work is being performed as expected and within the estimated timeframe. This first phase of pipe cleaning is expected to take approximately 10 days for Tukwut Court, and 7 days for Paauwe Drive.

4.3 Channel Cleaning SOP

The cleaning of the storm drain channel located on the Pauma Valley Golf Course, as shown in EXHIBIT A.2, will consist of (1) Mini-excavator with Operator, (2) Skid-steers with Operators, (1) Laborer for part of the work, and (1) Roll-off Truck with Driver/Operator to haul off the debris. The mini-excavator operator will scoop the debris from the channel and dump the debris into the skid-steer buckets. The skidsteer will take the debris to a location provided by the client to stockpile and allow for the debris to dry out so it can be hauled away. We will utilize (2) skid-steers to expedite the process and "round-robin" the debris from the channel to the stock-pile location. A laborer will be needed for approximately half of the work to assist with cleaning up the remaining debris that the mini ex could not grab with its bucket. Once the debris is dry enough to haul off, the skid steers will load the stockpiled material into a Roll-off truck which will haul off the debris for disposal. Traffic control may be required on Pauma Valley Drive during the hauling of debris, which will be provided by DSI utilizing a Traffic Control Truck with Arrow Board. DSI maintains a C31 Traffic Control license and trains all employees in traffic control procedures based on the MUTCD WATCH manual standards and guidelines. A Superintendent/Foreman will be on-site various times throughout the project ensuring the work is being performed as expected and within the estimated timeframe. This work would preferably be performed after the pipe cleaning has been completed for both Paauwe Drive and Tukwut Court, is expected to take approximately 18 working days, and will be split up into multiple phases to avoid large stockpiles of debris.

4.4 As-Needed Post-Storm Cleaning Service

DSI currently maintains many as needed and emergency response contracts. We have a 24/7 emergency response call service that can be used for contracted and non-contracted emergencies from San Diego County through Ventura County. DSI has an extensive equipment inventory to handle any of the storm water related tasks. During business hours, our clients can reach out to the Stormwater Superintendent or Stormwater Project Manager directly for emergencies. We have crews working in San Diego County, Orange County, Los Angeles County, and Ventura County daily. After receiving the notification, we can quickly locate the closest crew with the proper equipment and have them dispatched to the jobsite. When after-hour emergencies occur, our clients can be directed to one of our on-call managers by calling our office main line or toll-free line. We always have (1) main on-call manager and (2) additional backup on-call managers on a weekly rotating schedule. We have many local technicians that can be at our facility promptly after receiving a call, and they are always ready for emergency responses. Downstream Service's corporate office is less than a (1) hour drive to Pauma Valley. Our equipment is readily available at all hours of the day, including our CCTV inspection equipment when needed. All incident reports will be provided with before and after pictures within 1 week of performing the work as well as an annual report of all incidents within 2 weeks after the end of the City's fiscal year. All as-needed services will be invoiced on a time and materials basis, per the T&M rate sheets attached.

Section 5: Proposed Compensation Schedule

For this project, Downstream Services, Inc. will invoice at the end of each month based on the work performed and the time and materials used within that month. If the client prefers that we perform the proposed work in phases throughout the year to spread out the cost, DSI can accommodate. However, please keep in mind that if all the work is not completed sequentially without delays, the site conditions may change over time, and it may cause additional time and/or materials to complete the work. Once the initial cleaning has been completed, DSI can reassess the scope of work and provide a regular maintenance schedule with a fixed annual cost, monthly cost, or per-service cost.

5.1 Cost Proposal – EXHIBIT A.2 – Pauma Valley Golf Course Channel Cleaning

Sales Tax District 010 - San Diego County - 7.75%

Site Specific Scope of Work

Downstream Services, Inc. (DSI) will clean and dispose of debris within the storm drain channel that runs along the Pauma Valley Golf Course starting near the 8th fairway near Pauma Valley Drive and ending at the storm drain outfall pipe coming from Paauwe Drive.

This work is in reference to EXHIBIT A.2 from the RFP (attached).

Assumptions:

- Prevailing Wage Rates Apply
- Estimated +/- 1,000 LF of storm drain channel.
- Estimated a total of 257 cubic yards of debris in total.

- DSI will plug the 36" outfall with a bypass plug and will use discharge hose to route water onto the grass and away from the channel during cleaning.

- DSI will use a Mini-excavator with operator to remove the debris from the channel, along with (2) skid steers.

- Estimated 18 working days for this scope of work. DSI will perform the work in phases due to the amount of debris that will need to be disposed of.

| Created Date | 5/22/2024 |
|-----------------|-----------|
| Expiration Date | 8/20/2024 |
| Quote Number | 00004489 |

Time and Materials Proposal

- Client will need to provide a location to stockpile the vegetation and debris removed from the channel until it is dry enough to haul off. Location TBD.

- DSI will place roll-off bins on Pauma Valley Drive while the work is being performed. Traffic control will be utilized to guide vehicle traffic around the roll-off bins.

- Client to provide a sewer manhole for decanting non-hazardous liquids at no additional cost to DSI.

- DSI will be permitted to drive equipment on the golf course and will not be held responsible for any damage to the ground cover or grass. DSI will only drive vehicles on the golf course where necessary, and will be sure to minimize any damage by accessing the golf course through the same path.

- Client will provide cleaning water via a metered hydrant at no additional cost to DSI.

- This is a Time and Materials proposal with an estimated total cost to complete the work. DSI will invoice actual time and materials spent completing this work, and will notify the client prior to exceeding the estimated cost for additional funds, if needed. Change in site conditions may require more time and/or material to complete the work.

Acceptance and Payment Terms

Payment Terms are Net 30. In the event a lawsuit is instigated to enforce payment, the vendor/contractor/owner agrees to pay reasonable attorney and collection fees together with legal interest and costs of lawsuit. Past due accounts are subject to additional charges for all reasonable collection and attorney's fees. Service charge of 1.5% per month (18% Annually) will be charged on all past due accounts. All work to be completed in a workman-like manner according to standard practices. Any alteration or deviation from the above specifications or changes in plans shall constitute a change order at the rate time and materials plus 20% overhead. Builders risk insurance is excluded from this contract. Downstream Services, Inc. shall be responsible for liability insurance and workman's compensation insurance.

Acceptance

By signing below client agrees to the terms of this proposal and will enter a contractual agreement with Downstream Services, Inc. beginning on the date of signing, email verification, or receipt of prepayment for one year unless otherwise noted. Contractual terms of this proposal include all of the attached pages, specifications and conditions. By accepting you are authorized to do the work as specified. Payment will be made out as outlined above.

- If applicable, Push Camera has an average distance of +/- 120 LF depending on the size and grade of pipe, as well as the number of alignment changes within the pipe.
- Any existing damage or additional damage to concrete will not be the responsibility of Downstream Services, Inc.

Standard Exclusions, Unless Otherwise Noted

- Traffic Control beyond 12 day and night cones and two road work ahead signs.
- Change of condition due to regulated/hazardous waste.
- Regulated or hazardous waste disposal costs additional testing may be required.
- Environmental Testing of Unit.
- Standard analysis pulled from waste stream: TPH, VOC, Title 22 Metals \$750.00
- If applicable, NASSCO PACP standards and codes are excluded. CCTV inspections will be for visual purposes only.
- Bonds, permits, and agency fees.

Confined Space Entry

DSI crew will be responsible for all Confined Space Entries. Our personnel are annually certified in Confined Space Entry, as well as Traffic Control, HAZWOPER, and CPR/First Aid. Confined Space Entries are conducted in compliance with CAL OSHA and FED OSHA requirements and DSI's own written Confined Space procedures. DSI will conduct Confined Space Entries only if and when atmospheres are safe and can be controlled by standard ventilator.

Disposal of Waste

The cleaning of storm drain culverts, inlets, separators, and basins will generate large volumes of wastewater, accompanied with solid debris and is considered by Federal, State, and local agencies, as "Regulated Waste Discharge." This discharge may contain contaminates such as paint, oil, fuel, automotive liquids, chemicals, and other pollutants. Federal law requires that all "collected discharge" from a cleaning operation be accumulated in containers, at initial accumulation point which is near the area where the waste is generated, until final disposition is determined. DSI is able to treat, sample and test the waste on site. If the "collected debris" is determined clean, DSI can legally dispose of water and solids on site in green belt areas. Wastewater cannot be disposed of "downstream" by dumping, even if determined clean, as this is a violation of the Clean Water Act. Proper disposal and testing of "Regulated Waste Discharge" is the responsibility of the "Generator/Property Owner" by Federal law. The waste will be transported in a DOT approved container and disposed of in compliance with all local and state environmental legislation. DSI will retain all records of inspection and maintenance of each unit, for a minimum of three (3) years [from the date that "hazardous waste" is received at the consolidated site]. These records will be available for review at any time. Please note that the system owner will always be considered the waste stream generator for any waste collected from site.

For Customer to Complete

Site Specific Scope of Work

Downstream Services, Inc. (DSI) will clean and dispose of debris within the storm drain pipes starting at the stand pipe at the top of Paauwe Drive down to the outfall on the golf course.

This work is in reference to EXHIBIT A.3 & EXHIBIT A.4 from the RFP (attached).

Assumptions:

- Prevailing Wage Rates Apply

- Estimated +/- 1,060 LF of 36" storm drain, approximately 50% impacted or more.

- Estimated a total of 91 cubic yards of debris within the storm drain.

- DSI will hydrojet the top half of the line from the top of Paauwe Drive at the stand pipe down to the access point located near Wiskon Way.

- DSI will need to use a bucket cleaning machine to remove the rest of the debris from Wiskon Way down to the outfall on the golf course. All debris will be stockpiled near the outfall and removed with skid steers once the cleaning is completed.

- DSI will CCTV the pipes after cleaning for a condition assessment and to show the pipe is clean.

| Created Date | 5/22/2024 |
|-----------------|-----------|
| Expiration Date | 8/20/2024 |
| Quote Number | 00004491 |

- Client to provide a laydown yard for disposal bins at no additional cost to DSI. This work cannot be completed without a location to store bins. The waste will be too wet to haul off immediately after cleaning and will need to be dried out prior to hauling.

- Client to provide a sewer manhole for decanting non-hazardous liquids at no additional cost to DSI.

- DSI will be permitted to drive equipment on the golf course and will not be held responsible for any damage to the ground cover or grass. DSI will only drive vehicles on the golf course where necessary, and will be sure to minimize any damage by accessing the golf course through the same path.

- Client will provide cleaning water via a metered hydrant at no additional cost to DSI.

- This is a Time and Materials proposal with an estimated total cost to complete the work. DSI will invoice actual time and materials spent completing this work, and will notify the client prior to exceeding the estimated cost for additional funds, if needed. Change in site conditions may require more time and/or material to complete the work.

 - Standard analysis pulled from waste stream: TPH, VOC, Title 22 Metals \$750.00
- If applicable, NASSCO PACP standards and codes are excluded. CCTV inspections will be for visual purposes only.
- Bonds, permits, and agency fees.

Confined Space Entry

DSI crew will be responsible for all Confined Space Entries. Our personnel are annually certified in Confined Space Entry, as well as Traffic Control, HAZWOPER, and CPR/First Aid. Confined Space Entries are conducted in compliance with CAL OSHA and FED OSHA requirements and DSI's own written Confined Space procedures. DSI will conduct Confined Space Entries only if and when atmospheres are safe and can be controlled by standard ventilator.

Disposal of Waste

The cleaning of storm drain culverts, inlets, separators, and basins will generate large volumes of wastewater, accompanied with solid debris and is considered by Federal, State, and local agencies, as "Regulated Waste Discharge." This discharge may contain contaminates such as paint, oil, fuel, automotive liquids, chemicals, and other pollutants. Federal law requires that all "collected discharge" from a cleaning operation be accumulated in containers, at initial accumulation point which is near the area where the waste is generated, until final disposition is determined. DSI is able to treat, sample and test the waste on site. If the "collected debris" is determined clean, DSI can legally dispose of water and solids on site in green belt areas. Wastewater cannot be disposed of "downstream" by dumping, even if determined clean, as this is a violation of the Clean Water Act. Proper disposal and testing of "Regulated Waste Discharge" is the responsibility of the "Generator/Property Owner" by Federal law. The waste will be transported in a DOT approved container and disposed of in compliance with all local and state environmental legislation. DSI will retain all records of inspection and maintenance of each unit, for a minimum of three (3) years [from the date that "hazardous waste" is received at the consolidated site]. These records will be available for review at any time. Please note that the system owner will always be considered the waste stream generator for any waste collected from site.

For Customer to Complete

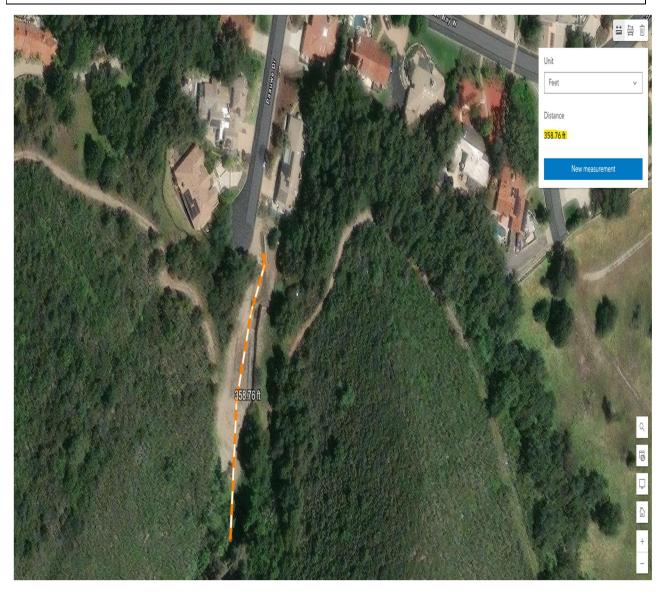

Please check ONE of the following options to select your delivery method for reports and invoices, please note DSI will no longer be mailing hard copies of maintenance records. (Adobe Acrobat will be required to open e-mailed reports.)

4 Years

Stormwater Assistant Project Manager II, September 2023 – Present

- Assists in managing the Stormwater department operations including; product ordering, ensuring optimal weekly schedules, BMP inspections and site walks for maintenance and installation proposals for new and existing clients.
- Oversees a wide range of client relations for large scale municipal contracts and various private contracts.
- Assists in the timely execution of Emergency Response projects.
- Ensures annual City / County compliance across all clients, including addressing as needed deficiencies.

Stormwater Assistant Project Manager I, August 2021 – September 2023

- Assist in managing the Stormwater department which included creating weekly schedules, product ordering, and oversaw all stormwater maintenance conducted.
- Complete daily reports and tracked data of maintenance/ cleanings completed for clients and large-scale city contracts.
- Manage client scheduling and assisted with city compliance throughout the San Diego/LA area.
- Schedule technicians, and vehicles.
- Organization of office, contracted and monthly work.
- Acquire new clients, by seeking out service opportunities for proposed work.
- Develop maintain positive relationships with vendors and equipment suppliers.
- Facilitate large contract bids for municipal and city work including but not limited to developing proposals, pricing, and deliverable packages.
- Create appointments for scheduled maintenance and unscheduled emergency requests

Stormwater Project Assistant, December 2019 – August 2021

- Day to day operations
- Organize and maintain incoming RFP's, RFQ's, and RFB's
- Assist the PM(s) and APM(s) with project estimating, planning, scheduling and tracking
- Assist with project documentation, including RFI's, change orders and submittals
- Order insurance certificates per contract requirements
- Assist with reading and understanding projects documents
- Receive, review, enter, and file field reports
- Creating invoicing, sending approved invoices, ordering supplies, data entry, organizing and creating field folders, creating purchase orders, and ordering filters
- Create and maintain job files both on a server and hardcopy
- Asses bid documents
- Proficiency in Sage, Maximizer, Word, Excel, and Office programs
- Coordinate out-of-town projects

| Par | | nber(s) here (optional) | | | | |

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also What Name and Number To Give the Requester for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- 1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- 2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- 3. I am a U.S. citizen or other U.S. person (defined below); and
- 4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

1

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report alginterest and dividence on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW*9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification. New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Eric Steinlicht **Pauma Valley Community Services District** 33129 Cole Grade Road Pauma Valley, CA 92061

Dear Eric,

Please find the pricing and scope of work to perform initial cleaning of storm drain system at the Pauma Valley Community.

Scope of work: Exhibit A.2

Waterwerx will provide a five (5) man crew, mini excavator, skid steer, two (2) 5yard dump trucks, three (3) power buggies, pick-up truck, and all necessary hand and power tools to clean concrete drainage channel in exhibit A.2. Waterwerx will use power buggy wheel barrows to haul material across grass to mitigate damage to golf course. Waterwerx will haul away all debris and dispose of on behalf of customer.

Scope of work: Exhibit A.3, A.4 & A.5

Waterwerx will provide a three-man crew, combination vac/sewer truck, and CCTV camera van to clean storm drain system per exhibit A.3 & A.4. Waterwerx will start cleaning at the top of system on A.3 and remove built up sediment in storm drain system working to outfall in concrete swale running on edge of golf course. Camera inspection will be utilized to verify cleanliness after hydro-jetting and in the event jetting operations calls for locating. Waterwerx will map storm drain system while cleaning to update GIS info. Waterwerx will need water meter for 2 weeks and will use approximately 1300 gallons of water a day. Cleaning will be to 90% or better of total pipe capacity.

Exclusions:

- Cleaning or repairs at any BMP's not mentioned above
- Hydro-jetting of any lines not mentioned above
- All water to be provided by customer for cleaning operations
- Waste generated from work will be disposed of on behalf of the customer
- Price does not include annual maintenance of storm drain system. Once system has been mapped and all BMP's identified, Waterwerx will be able to create and quote a maintenance plan for storm drain system.

TOTAL COST \$188,345.00

PHONE: (858) 397-1001

Waterwerx Inc., formerly San Diego Stormwater Solutions Inc., is a privately owned and operated company which has been in business since 2015. With 9 years of experience in providing sewer cleaning, sewer televising, storm drain and storm water structural treatment BMP maintenance, Waterwerx Inc. is capable of providing the most personalized service in the industry. Our team is comprised of many qualified individuals with years of technical experience. Waterwerx Inc., is a midsized company headquartered in North County San Diego, providing services all over Southern California.

Gregg Brenner, Owner and C.O.O will be the project manager and principal agent. Gregg has served as the project manager and principal agent for many of Waterwerx Inc.'s (formerly San Diego Stormwater Solutions) municipal contracts. Gregg has over 20 years of experience in the environmental services industry, and is capable of being the point of contact for all administrative aspects of the RFP. As owner of Waterwerx Inc., Gregg will personally oversee all aspects of the contract. Having one degree of separation between administration on onsite crews allows for effective communication and operational efficiency.

Jason Bingham, Operations Manager will be the second most key personnel in overseeing this contract. Jason possesses a Grade 1 Collection Cert with CWEA. Jason has 15 years of experience in sewer and storm water collections system maintenance. He is PACP, MACP, and LACP certified and is proficient in all equipment that will be used in the execution of the scope of work of this agreement. Jason has worked on long range/mileage contracts similar to the scope of work for the Pauma Valley CSD. These include but are not limited City of San Diego, City of Inglewood, Marine Corps Station Camp Pendleton. For the City of San Diego, Jason operated CCTV of 80+ miles of sewer lines as well as manhole inspections. For The City of Inglewood, Jason was field superintendent overseeing 90+ miles of sewer line CCTV and cleaning. For Camp Pendelton, Jason was foreman for 120+ miles of cleaning and CCTV for sewer lines. Jason is also the CSLB certified Responsible Managing Employee for Waterwerx Inc. (C-42). Jason is confined space certified, traffic control certified, OSHA 10, first aid & CPR, as well as possessing other certifications pertinent to the execution of the scope of work for this contract.

RELEVANT PROJECT EXPERIENCE

Below is a list of relevant project experience that has been completed by Waterwerx Inc., as well as projects completed by key personnel.

 City of Lemon Grove Public Works Department 2019-Present- Waterwerx (as San Diego Stormwater Solutions) has provided and continues to provide Vac truck cleaning and closed circuit television (CCTV) services for the public works department at the City of Lemon Grove. In addition, Waterwerx provides a bevy of storm water treatment BMP cleaning and installation services for the city's various structural BMP requirements.

Contact: Gary Harris, Public Works Superintendent 619-490-0017

- 2. City of Chula Vista Public Works Department 2020-Present- Waterwerx (as San Diego Stormwater Solutions) has provided and continues to provide a vast array of services for the City of Chula Vista. These include but are not limited to Vac truck service for underground stormwater filtration systems such as CDS units, Modular Wetlands Units, Filterras, and catch basins. Waterwerx (as San Diego Stormwater Solutions) also provided purchase and installation of storm water structural BMPs. Contact: Joseph Burgos, Public Works Supervisor 619-397-6031
- Mass Transit Systems (MTS) San Diego 2021-Present- Waterwerx Inc. has provided and continues to provide Vac truck services to various underground structures. Waterwerx also provides CCTV services on an on-call basis. Waterwerx handles all storm water structural BMP maintenance for MTS facilities and transit centers throughout San Diego County. Contact: Ngan Nguyen, Environmental Health & Safety Specialist 858-466-7522
- City of Laguna Beach 2024-Present Waterwerx Inc., provides on call services for sewer collection system and wet wells. Most recent project completed in January 2024 of wet well cleaning with combo sewer vac truck. Contact: Jason McMenomy, Lead Pump Mechanic 949-842-2945
- Orion Construction 2022-Present- Waterwerx Inc., provides as needed services for sewer and storm drain line cleaning and CCTV services. Most projects Waterwerx serves as a subcontractor for Orion Construction on projects contracted by The City of San Diego.

Contact: Branden Love, 760-685-8935

Proposed Compensation structure:

Waterwerx will provide progress billing on a weekly basis throughout the project length. Project is anticipated to be completed in 2 separate sections and each portion completed throughout the duration of the project will be billed accordingly. Waterwerx does not provide an on going monthly payment plan. Expectation is that all invoices will be due a no longer than 60 days from receipt of invoice.

Conflict of interest:

There are no known conflicts of interest pertaining to this proposal

On-going service:

Pricing was not provided for on-going service for these structures as they will need to be cleaned, mapped, and inspected prior to Waterwerx being able to determine the appropriate on going maintenance activity.

We believe that when it comes to designing and installing an integrated residential solar PV system, one size does not fit all. We custom tailor every system to best fit our customers' homes, lifestyles and savings goals. Our energy consultants will work with you to determine the best fit technology, system size, and financing offerings for your needs.

Highest Quality

We hire and train the best installers in the business, many of which have been with us for over a decade. We do everything in-house, allowing us to design and install highperformance integrated solar energy systems, and then stand behind the performance and production. We have a rigorous 100-point quality assurance process.

Your Information

Pauma Valley Community Services District 33129 Cole Grade Rd Pauma Valley, CA 92061

About Your Utility

No choice:

Your utility is 100+ year old monopoly, meaning they don't have competition, they have guaranteed profits and you don't have any say.

Rates are rising:

California has some of the highest average retail electricity prices in the country. On average we anticipate rates will increase by 5.0% annually.

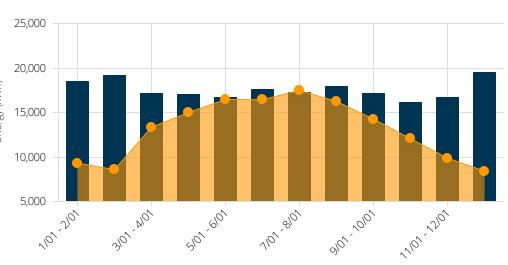

Pollution:

Over 2/3rds of utility energy generation comes from fossil-fuel plants, like coal or natural gas. This leads to pollution, climate change, and health impacts in our communities.

Solar PV System Details

Your Information

Pauma Valley Community Services District 33129 Cole Grade Rd Pauma Valley, CA 92061

About Your Utility

No choice:

Your utility is 100+ year old monopoly, meaning they don't have competition, they have guaranteed profits and you don't have any say.

Rates are rising:

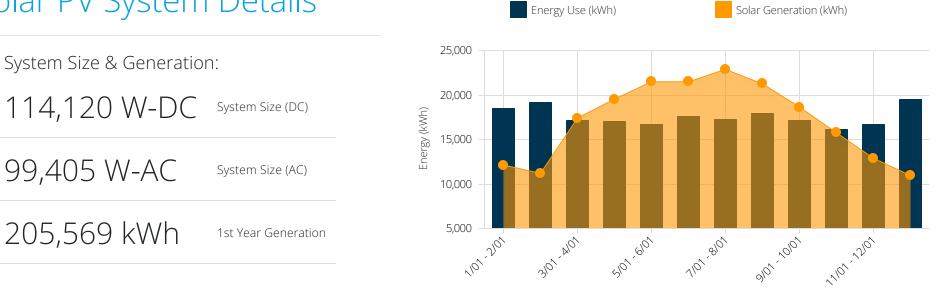

California has some of the highest average retail electricity prices in the country. On average we anticipate rates will increase by 5.0% annually.

Pollution:

Over 2/3rds of utility energy generation comes from fossil-fuel plants, like coal or natural gas. This leads to pollution, climate change, and health impacts in our communities.

Solar PV System Details

Financing Summary

| Payment Options | Cash Purchase |
|------------------------------|---------------|
| IRR - Term | 46.0% |
| LCOE PV Generation | \$0.017 /kWh |
| Net Present Value | \$1,816,133 |
| Payback Period | 1.6 Years |
| Total Payments | \$323,557 |
| Total Incentives | \$229,887 |
| Net Payments | \$93,670 |
| Electric Bill Savings - Term | \$4,333,487 |
| Upfront Payment | \$323,557 |

Benefits of Payment Options:

Cash Purchase:

- Maximize your savings by owning a secure long-term investment.
- Use federal investment tax credit to reduce your tax liability.
- Increase the market value of your home.

Commercial Solar Project Acquisition Indicative Term Sheet

For Discussion Purposes Only.

This Indicative Term Sheet sets out a non-binding indication of the price and terms under which GDF would acquire, and fund a Power Purchase Agreement (PPA) for, the Project presented. This indication is not an offer and any final terms will be subject to GDF due diligence investigation and internal approvals and will be set out in definitive documentation.

| Summary: | Greenday Finance LLC ("GDF") proposes to acquire a commercial solar generating project (CSD Pauma Valley) and fund a commercial PPA. The transaction will take the form of a sale of all Project assets. |
|-----------------------------|--|
| Seller of Project Assets | Century Sun & Solar |
| EPC Contractor | Century Sun & Solar |
| PPA Terms^: | PPA Term: 25 years PPA Rate (\$/kWh) Year 1: \$0.1250/kWh Annual Payment Year 1: \$17,279 Annual Escalator: 2.99% |
| Project Location | 33129 Cole Grade Rd, Pauma Valley, CA |
| Project Assumptions: | System Size: 86.00kW Production Year 1 (kWh): 138,235 kWh Degradation (%): 0.5% |
| Proposed EPC Price^: | \$223,600 (or \$2.60/W) All-in cost for Capex under ITC assumptions listed under ITC Status, below. |
| Economics* Subject to: | Minimum ITC level for GDF's acceptance of 30% (subject to any additional adders) Project interconnection application approved |
| ITC Status | Seller/EPC Provider will represent and warrant as to ITC status as follows: The System will satisfy the base ITC requirements for a base ITC of 30%. |
| | Definitive agreements will contain indemnification provisions for breach of these representations and warranties. |

| Transaction | Construction application requirements including but not limited to: |
|-----------------|---|
| Closing Subject | • Layout confirmation and production validation with either interval data or last 12 months |
| to: | of utility bills for the specific project |
| | • Final construction budget, construction schedule, and milestone payments dates/amounts |
| | Approved interconnection agreement |
| | Approved building plans |
| | All applicable permits and other required approvals received. |
| | Site control & assignment transfer compliance |
| | • Agreement on construction schedule, budget, milestone and milestone payments |
| | • Agreement on the operation and maintenance of equipment (e.g., O&M) for the solar system. |
| | • Agreement on site selection and portfolio engagement opportunity |
| | Compliance with applicable law and application requirements |
| | • Proposed measures must be permanently affixed to the Property and cannot be removed in the event of a change of ownership |
| | • Agreement on definitive documentation, including customary representations, warranties and covenants. |
| | • Customary due diligence/underwriting for this type of project |
| | Final credit/risk Committee approval |
| Construction | Milestones TBD |
| Payments: | |

^ Project economics such as the PPA Rate and the EPC Price are subject to achieving substantial completion during the 2024 calendar year.

Prepared For CSD Pauma Valley (123) 456-7890

The Energy Toolbase provides comprehensive cost analysis for commercial, municipal, and residential renewable energy projects. We provide the tools that professionals need to compete in the fast paced renewable energy market by leveraging our first hand experience developing energy projects. Our software developers are NABCEP certified energy professionals and have completed energy analysis for companies including the Mirage Casino Resorts, Boston Scientific, Leviton, Balfour Beatty Construction, and many others.

RESOLUTION NO. 120

A RESOLUTION OF THE BOARD OF DIRECTORS OF PAUMA VALLEY COMMUNITY SERVICES DISTRICT ADOPTING SALARY SCHEDULE FOR EMPLOYEES

WHEREAS, the Public Employees' Retirement Law ("PERL"), Public Employees' Pension Reform Act of 2013 (PEPRA), and Title 2 of the California Code of Regulations ("CCR") require employee pay rates to be paid pursuant to a publicly available pay schedule; and

WHEREAS, Government Code Section 20636 defines compensation earnable for "Classic" members and Government Code Section 7522.34 defines pensionable compensation for "New" PEPRA members employed by the District; and

WHEREAS, the California Public Employees Retirement System ("CalPERS") adopted the California Code of Regulations, Title 2, Section 570.5; and

WHEREAS the adoption and approval of the pay schedule will ensure proper documentation of base salaries for retirement purposes; and

WHEREAS the Regulations require that the pay schedule be made public without reference to another document in lieu of disclosing the pay rate; and

WHEREAS, the California Code of Regulations, Title 2, Section 570.5 requires the District's Board of Directors to approve and adopt all pay schedules.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Directors of the Pauma Valley Community Services District, a public agency in the County of San Diego, California, that the Salary Schedule attached in Exhibit B is approved and adopted.

PASSED AND ADOPTED BY the Board of Directors of the Pauma Valley Community Services District, Pauma Valley, California, held on the 28th day of May 2024, by the following vote:

AYES: NOES: ABSTAIN: ABSENT:

ORDINANCE NO. 55

AN ORDINANCE OF THE PAUMA VALLEY COMMUNITY SERVICES DISTRICT ESTABLISHING POLICIES AND PROCEDURES FOR GATE ACCESS AND ROAD USAGE WITHIN PAUMA VALLEY COUNTRY CLUB **ESTATES**

WHEREAS, the Pauma Valley Community Services District ("District") is a public agency organized under the Community Services District Law set forth in California Government Code section 61000 et seq.;

WHEREAS, under Government Code section 61100(j), the District is authorized to provide security services to protect lives and property;

WHEREAS, section 60160(a) of the California Government Code provides that community services districts, such as this District, have the power to adopt ordinances to establish policies and procedures; and

WHEREAS, with the concurrence of the Pauma Valley Roadway Association, the District provides gate access management and the monitoring and enforcement of road usage within, along with the ingress to and egress from, the Pauma Valley Country Club Estates ("PVCCE"), as depicted on the map attached as Exhibit "A";

WHEREAS, the District has decided to separately articulate and adopt its own set of policies and procedures pertaining to PVCCE gate access and road usage; and

WHEREAS, it is the District's desire and intent to adopt the Gate Access and Road Usage Policies and Procedures, as set forth in the attached Exhibit "B" ("Policies and Procedures"), in order to promote the orderly conduct of business in regards to gate access and road usage in PVCCE.

Now, therefore, BE IT ORDAINED BY THE BOARD OF DIRECTORS OF THE PAUMA VALLEY COMMUNITY SERVICES DISTRICT as follows:

Section 1: Policies and Procedures. The District formally establishes and adopts the Gate Access and Road Usage Policies and Procedures attached hereto as Exhibit "B".

Section 2: Enforcement. The District and its employees are hereby authorized to implement enforce the rules and regulations presented in the Policies and Procedures.

Section 3: Recitals. The Recitals are incorporated herein and made an operative part of this Ordinance.

Section 4: Effective Date. This Ordinance shall become effective thirty (30) days after its adoption pursuant to California Government Code Sections 25123 and 61060(a).

This Ordinance shall be published within fifteen (15) days after its passage pursuant to California Government Code Section 25124.

ADOPTED this 28th day of June, 2021.

President of the Board of D

ATTEST:

of the Board of Directors

ORDINANCE NO. 55

CERTIFICATION

I, William Schultz, Secretary of the Board of Directors of Pauma Valley Community Services District, certify that the foregoing ordinance was introduced at a regular meeting of the Board of Directors on the 24th day of May, 2021 and was adopted by the Board of Directors at a regular meeting held on the 8th day of June, 2021, by the following vote of the Directors:

AYES: Logan, Esparza, Schultz, Jacobs, Cipriano

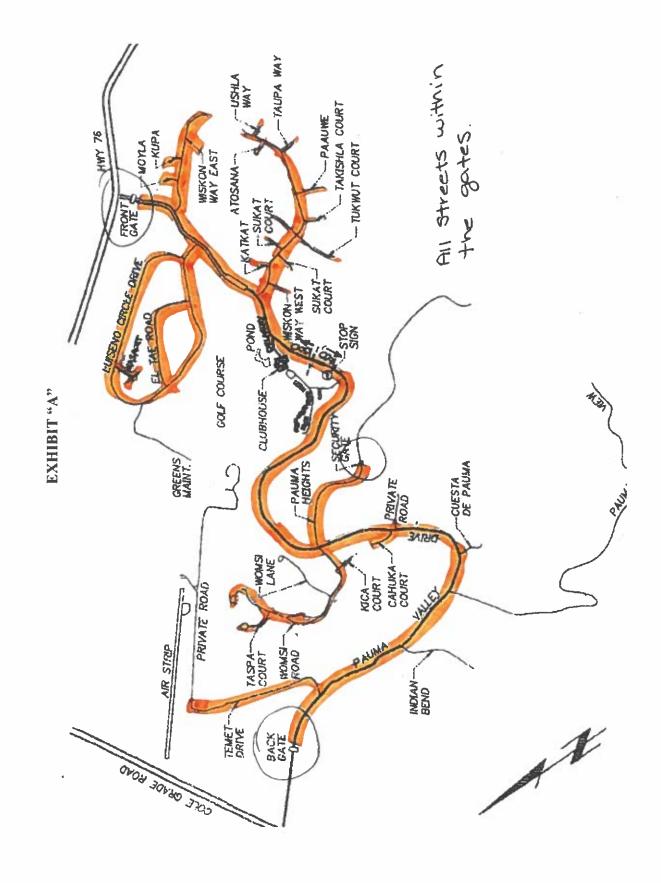

NOES:

EXHIBIT "B"

Pauma Valley Community Services District

Administrative Procedures and Rules

Amended Date:

GATE ACCESS & ROAD USAGE

POLICIES AND PROCEDURES

ARTICLE 1 GENERAL PROVISIONS

- I. <u>Introduction</u>: Under its statutory authority, the Pauma Valley Community Services District ("PVCSD" or "District") is authorized to provide a variety of services, including gate access management, security patrol services, and monitoring and enforcing road usage, including ingress to and egress from the Pauma Valley Country Club Estates ("PVCCE"). (See map attached as Exhibit "A".) It is PVCSD's intent to establish policy and procedures that will be convenient for the public and contribute to the orderly conduct of business in regards to gate access and road usage.
- II. <u>Purpose</u>: The purpose of these Gate Access and Road Usage Policies and Procedures is to set forth certain policies and procedures by which the functions of the District are carried out. Other District procedures related to gate access and road usage may be set forth in specific rules, regulations, resolutions, or policies of the District, whether or not included as part of this document.
- III. <u>Definitions</u>: Except as otherwise provided in specific sections of these Policies and Procedures, the following words shall have the following meanings:
 - a. <u>Commercial Activity</u> means conduct that requires a Use Permit. Commercial activity includes long-term rentals of Resident properties and the ongoing activities and events and of PVCC.
 - b. <u>"Gate Attendant"</u> means a person employed by PVCSD that works at a gatehouse.
 - c. <u>Main Gate</u> means the entrance to PVCCE on Highway 76.
 - d. <u>Not in Good Standing</u> means a person having delinquent dues or fees owed to the District. Those persons who do not meet the definition of "Not In Good Standing" shall be deemed in "Good Standing".
 - e. <u>NOV</u> means a Notice of Violation issued by a Security Patrol Officer.
 - f. <u>Pass</u> means an official PVCSD document, displayed on the dashboard of the vehicle, that grants access within the gates of PVCCE for a specific period of time.
 - g. <u>PVCC</u> means Pauma Valley Country Club.
 - h. <u>PVCCE</u> means Pauma Valley Country Club Estates.

- i. <u>PVCSD</u> or <u>District</u> means the Pauma Valley Community Services District.
- j. <u>Resident</u> means a PVCCE homeowner or individuals authorized to reside in or live on a homeowner's property.
- k. <u>RFID Transponder</u> means a Radio Frequency ID tag for gate access issued by PVCSD.
- 1. <u>Roadway</u> means the PVCCE roads and streets depicted on Exhibit A.
- m. <u>Security Patrol Officer</u> means an employee of PVCSD or its designee, authorized to affect the safety and security of property and persons within the PVCSD service area.
- n. <u>Service Persons</u> means those individuals or entities providing commercial or personal services to Residents or Guests of PVCCE, PVCSD, or PVCC.
- o. <u>Signage</u> means any printed information placed or posted on any Roadway, adjacent areas or curbs.
- p. <u>Street Parking</u> refers to vehicles, dumpsters, or equipment parked on any Roadway.
- q. <u>Street Legal</u> refers to vehicles with current licenses and registration documentation.
- r. <u>Use Permit</u> means a permit or license that is required to be issued by an authority having jurisdiction, prior to the commencement of activity that requires such permit or license.
- s. <u>Written Authorization</u> means a properly displayed printed pass or letter from PVCSD.

ARTICLE 2 <u>RESPONSIBILITIES</u>

- I. <u>Enforcement:</u> PVCSD and its approved employees are authorized to enforce the rules and regulations presented in these Policies and Procedures.
- II. <u>Gate Attendants:</u> PVCSD shall provide Gate Attendants at the Main Gate to monitor alarm events, to take incoming calls, to monitor police and emergency radio traffic, and to provide visitor management to control ingress into PVCCE in accordance with the principles and specifics herein.
- III. <u>Security Patrol Officers</u>: PVCSD shall provide Security Patrol Officers, with vehicles, to patrol its areas of responsibility (including PVCCE), to respond to Gatehouse dispatched events, to provide emergency assistance to PVCCE residents and guests, to monitor use of the PVCCE Roadway, and to issue NOV's in the event contraventions of the principles and specifics herein
- IV. <u>Passes:</u> PVCSD shall provide for the issuance of "Passes", as described herein, to those entitled to receive them, upon presentation of necessary documents. Individuals seeking an RFID tag or designation as a recognized contractor at a gatehouse will be referred to the PVCSD office.
 a. <u>Visitor Passes:</u> PVCSD shall be responsible for the supply of <u>"Visitor Passes"</u>.
- V. <u>Gatehouse Equipment</u>: PVCSD shall be responsible for maintaining gatehouse equipment, inclusive of rolling gates, barrier arms, and all control systems required for their proper operation.

ARTICLE 3 ROADWAY USAGE WITHIN PVCCE

- I. <u>Drivers</u>: Drivers of vehicles, except golf carts, must hold a valid driver's license, registration and proof of insurance. Individuals under the age of 16 driving a golf cart within PVCCE must be accompanied by an adult.
- II. <u>Recreational Activities</u>: No part of any Roadway shall be used for recreational activities which present a potential safety hazard, as reasonably determined by PVCSD.
- III. <u>Speed Limits/Traffic Control Signs</u>: Drivers of vehicles on any Roadway must obey posted speed limits and other traffic control signs.
- IV. <u>Conformity</u>: Drivers and their vehicles must conform to the California Vehicle Code and to these PVCSD Gate Access & Road Usage Policies and Procedures.
- V. <u>Authorized Vehicles</u>: Excluding golf carts, vehicles that are not Street Legal in California, such as motorized skateboards and motorized dirt bikes, shall not be permitted access to, or use of, any Roadway.

ARTICLE 4 STREET PARKING

- I. <u>Written Authorization</u>: There shall be no Street Parking on any Roadway of vehicles, dumpsters, or equipment without PVCSD issued Written Authorization, displayed on the dashboard of the vehicle or on said equipment. Without PVCSD issued Written Authorization, recreational vehicles, campers, trailers dumpsters, and trucks shall not park on any Roadway for a period exceeding 48 hours.
- II. <u>Vehicle Parking</u>: Vehicles may not park on any Roadway for a period exceeding 7 days in any consecutive 30-day period.
- III. <u>Overnight Parking</u>: There shall be no overnight parking on Pauma Valley Drive.

ARTICLE 5 GATE ACCESS

- I. <u>Policy Inquiries</u>: Inquiries regarding Gate Access policies and RFID transponders, shall be directed to the PVCSD offices or website at www.paumavalleycsd.com.
- II. <u>Gate Attendants and Security Officers</u>: Gate Attendants and Security Officers are authorized to request drivers' licenses, vehicle registration and insurance information of those seeking gate access.
- III. <u>Good Standing status</u>: Individuals who are Not in Good Standing with PVCSD may not be permitted to obtain and/or utilize RFID transponders. Said individuals must request a Guest Pass until their Good Standing status is restored.

ARTICLE 6 SIGNAGE

I. <u>Permission</u>: Without written approval of PVCSD, Signage is not permitted on or adjacent to medians, any Roadway or PVCCE access gates.

ARTICLE 7 PASSES

I. <u>Gate Access Passes</u>: Gate access passes (aka Passes) can be electronically or manually generated and will be either a Guest Pass or a Service Pass. Those wishing to enter PVCCE without an RFID transponder or without a pass must register with a Gate Attendant. Individuals generating an electronic pass on their own computer may enter through the Rear Gate (using the Pass scanner) or through the GUEST LANE of the Main Gate, where their pass will be scanned. Categories of passes include:

a. An <u>Electronic Pass</u> is one generated through an authorized individual's account in the gate access system. It can also be created by a Gate Attendant thus enabling the individual named on such pass to retrieve, print and utilize it. Individuals authorized to create an "electronic pass" can do so only if said individual has no payment delinquencies. A pass is valid only for the date(s) indicated.

b. A <u>Guest Pass</u>, generated by a Gate Attendant, is for a guest of an authorized individual and is used only if the authorizing individual has advised the attendant of the guest's arrival, or responds to the attendant's phone call inquiring about the guest seeking entrance. Such a pass is valid for use by the party named on the pass and only for the date indicated.

c. A <u>Service Pass</u>, generated by a Gate Attendant, is for a Service Person of an authorized individual and is issued only if the authorized individual has advised the attendant of the Service Person's arrival, or responds to the attendant's phone call inquiring about an individual seeking entrance. Such a pass is valid only for the party named on the pass and only for the date indicated.

- II. <u>Valid Driver's License</u>: An individual wishing to utilize a pass to enter PVCCE may be asked to provide a valid driver's license and proof of insurance.
- III. <u>Visibility</u>: Passes must be clearly visible/readable on the vehicle's dashboard.
- IV. <u>Gardeners/Service Persons/Contractors</u>: Without authorization by PVCSD, Service Persons, including gardeners or contractors, will not be permitted to enter PVCCE before 7:00 A.M. Monday through Saturday, or remain after 6:00 P.M. on week-days and 2:00 P.M. on Saturday. There will be no admittance on Sunday or on major holidays identified as New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day. When an above-noted holiday occurs on a weekend, the day of observance shall be treated as the holiday. Emergency situations are considered exceptions to the above-noted rules.

ARTICLE 8 VISITORS

- I. <u>Notification</u>: Residents, agents, PVCC members and PVCC staff must notify a Gate Attendant of the name and arrival time of a visitor requiring a Pass. In the absence of such notification, no individual will be admitted unless the Gate Attendant is immediately able to contact the individual requesting the admission.
- II. <u>Guest Pass</u>: Upon approved access, the Gate Attendant will issue a Guest Pass valid for up to seven (7) days, and will record appropriate information thereon. A Guest Pass may be authorized for a period longer than seven days. When issued, all Passes are specific to the individual originally authorized when the pass was issued.

ARTICLE 9 <u>REAL ESTATE ACTIVITY</u>

- I. <u>Real Estate Agents/Brokers/Appraisers</u>: Real estate agents, brokers and appraisers who are not Residents or PVCC members will be issued a Guest Pass at the Main Gate after presenting identification and indicating the property to be visited. Individuals inquiring about real estate within PVCCE will not be admitted unless accompanied by a real estate agent, broker or appraiser.
- II. <u>Open House:</u> A Resident, agent or real estate sales person must notify a Gate Attendant of the name and arrival time of visitors requiring a Pass for Roadway usage. Absent such notification, the visitor will not be admitted. A Resident, agent or real estate sales person must abide by the Signage restrictions of PVCSD. OPEN HOUSE signage shall not be permitted adjacent to PVCCE access gates or on any portion of the Roadway.

ARTICLE 10 PROPERTY USE PERMITS

- I. <u>Commercial Activity</u>: Gate Attendants shall not admit any person, and Security Officers shall not permit any person to use any Roadway to access a property for Commercial Activity unless all necessary Use Permits have been obtained and are available for inspection.
- II. <u>Applicable Permits:</u> Each Resident shall be responsible for obtaining applicable Use Permits.
- III. <u>Estate Sales/Garage Sales/Yard Sales:</u> Residents planning to engage in estate sales, garage sales or yard sales, where participation is invited from individuals not residing within PVCCE, must apply to PVCSD for a Use Permit.
- IV. <u>Visitor Notification</u>: A Resident or agent must notify a Gate Attendant of the name and arrival time of any visitor who will require a Pass for Roadway usage. Individuals requesting admittance to attend a permitted activity must be on an approved list and will be issued a Pass good for one day only and for the single destination indicated on the Pass.

ARTICLE 11 UNATTENDED GATES

I. <u>Access</u>: Access at unmanned gates will be enabled by RFID transponders or by direct communication with the Gate Attendant at the Main Gate. Unmanned gates are equipped with video and two-way voice communication. Vehicles attempting access at an unmanned gate without an RFID transponder or an electronic PASS will not be admitted and must present themselves to the Main Gate.

ARTICLE 12 EMERGENCY

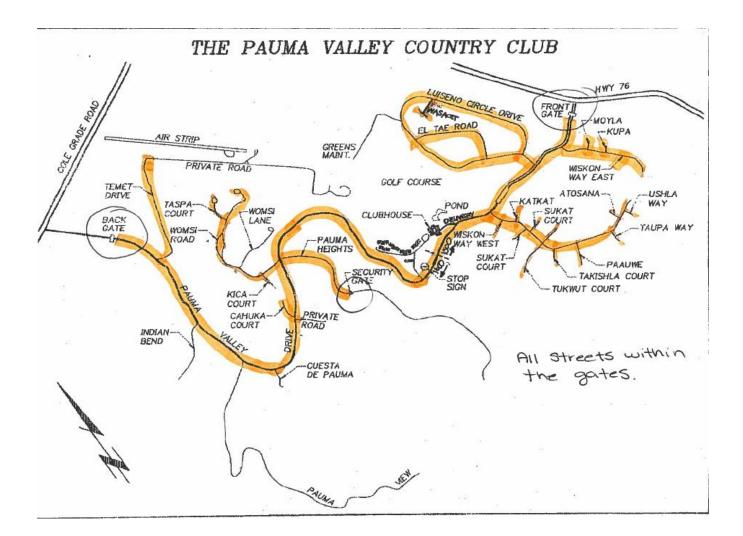

I. <u>Emergency Vehicles</u>: California Highway Patrol, San Diego County Sheriff, Cal Fire, EMTs, ambulance service, and similar vehicles shall receive immediate access at any gate.

ARTICLE 13 VIOLATIONS

- I. <u>Notices of Violation:</u>
 - a. <u>NOV</u>: A Notice of Violation is a citation issued by a PVCSD Security Officer for infractions to the Gate Access & Road Usage Policy and Procedures. The cause of the violation shall be set forth in writing and mailed or otherwise personally provided to the individual cited in the NOV. Property owners will be held responsible for the actions of their guests, visitors, tenants, Service Persons and family members and will be responsible for penalty assessments associated with their actions.
 - b. <u>Appeals</u>: Those issued an NOV may appeal the grounds for or the penalties associated with the violation to the CSD General Manager within thirty (30) days of the issuance date of the NOV. The General Manager shall review the evidence, including any input received from the appellant, and issue a written decision on the appeal, and send a copy of the decision to the appellant. The General Manager's decision may be appealed to the PVCSD Board of Directors within 30 days of the date of the General Manager's written determination. The PVCSD Board of Directors shall consider the matter during an open session, after providing at least 10 calendar days' written notice of the meeting to the appellant. The appellant shall be entitled to present evidence at the PVCSD Board meeting. The Board's decision on the matter, which may be accompanied by written findings or findings described in the Board meeting minutes, shall be conclusive of the appeal.

- II. Notice of Violations: NOV offenses include:
 - a. tailgating through gate access barrier arms;
 - b. barrier arm contact and/or damage;
 - c. illegal parking on any Roadway;
 - d. Pass violations;
 - e. illegal ingress to or egress from PVCCE;
 - f. STOP sign violations;
 - g. speeding violations
 - h. unsafe vehicle operation.
- III. <u>Penalties</u>. For any violation of this Ordinance, the PVCSD may assess monetary penalties or revoke access to the gates, or both, as follows:
 - a. Monetary penalty: Monetary penalty assessments for violations of this Ordinance shall be as follows. The PVCSD Board of Directors may modify the following amounts, by resolution, as the Board deems advisable.
 - i. 1st offense = Warning;
 - ii. 2nd offense = \$100;
 - iii. 3rd of more offenses = \$300.
 - b. Revocation of Gate Access Privileges. For any violation of this Ordinance, the PVCSD may revoke or suspend PVCCE gate access privileges for anyone other than Residents seeking access to their residence or to PVCC, or a PVCC member seeking access to PVCC.
- IV. <u>Damages</u>: Damages to the PVCCE gate access system will be billed to the party responsible for said damage on an at-cost (plus labor) basis. Failure to pay any such damages, or any unpaid monetary assessment, may warrant PVCSD's application to a court of law or to the County Tax Collector's office for collection, which PVCSD staff is authorized to pursue at its discretion.

EXHIBIT "A" MAP OF PAUMA VALLEY COUNTRY CLUB ESTATES

ORDINANCE NO. 55

AN ORDINANCE OF THE PAUMA VALLEY COMMUNITY SERVICES DISTRICT REPEALING AND REPLACING ORDINANCE NO. 55 RELATING TO ESTABLISHING POLICIES AND PROCEDURES FOR GATE ACCESS WITHIN THE PAUMA VALLEY COUNTRY CLUB ESTATES

WHEREAS, the Pauma Valley Community Services District ("District") is a public agency organized under the Community Services District Law set forth in California Government Code Sections 61000, et seq.; and

WHEREAS, pursuant to Government Code Section 61100(j), the District is authorized to provide security services within its boundaries to protect lives and property; and

WHEREAS, Section 61060(a) of the Government Code authorizes the District to adopt ordinances to establish policies and procedures governing the District; and

WHEREAS, with the concurrence of the Pauma Valley Roadway Association ("Association"), the District provides gate access management and monitoring services, along with the ingress to and egress from, the Pauma Valley Country Club Estates ("PVCCE"), as depicted on the map attached hereto as Exhibit "A" and incorporated by reference; and

WHEREAS, the District currently regulates policies and procedures for gate access and road usage within the PVCCE under District Ordinance No. 55; and

WHEREAS, the District desires to repeal and replace Ordinance No. 55 to articulate and adopt its own set of policies and procedures pertaining to PVCCE gate access, separate and apart from the Association; and

WHEREAS, it is the District's desire and intent to adopt the Gate Access Policies and Procedures ("Policies and Procedures"), as set forth in Exhibit "B", attached hereto and incorporated by reference, to promote the orderly conduct of business regarding gate access within the PVCCE.

NOW, THEREFORE, the Board of Directors of the Pauma Valley Community Services District does hereby ordain as follows:

Section 1: Policies and Procedures. The District formally establishes and adopts the Gate Access Policies and Procedures attached hereto as Exhibit "B".

<u>Section 2</u>: Enforcement. The District and its employees are hereby authorized to implement and enforce the rules and regulations presented in the Policies and Procedures.

Section 3: Recitals. The Recitals are incorporated herein and made an operative part of this Ordinance.

Section 4: Effective Date. This Ordinance shall become effective thirty (30) days after its adoption pursuant to California Government Code Section 25123.

Section 5: Publication. This Ordinance shall be published within fifteen (15) days after its passage pursuant to California Government Code Section 25124.

PASSED, APPROVED AND ADOPTED at a regular meeting of the Pauma Valley Community Services Department, held on the 28^h day of May 2024.

APPROVED:

Roland Skumawitz, President

ATTEST:

Larry Curtis, Secretary

APPROVED AS TO FORM:

Jeffery A. Morris, General Counsel

CERTIFICATION

I, Larry Curtis, Secretary of the Board of Directors of the Pauma Valley Community Services District, certify that the foregoing ordinance was introduced at a regular meeting of the Board of Directors on the 28th day of May 2024, and was adopted by the Board of Directors at a special meeting held on the 28th day of May 2024, by the following vote of the Directors:

AYES:

NOES:

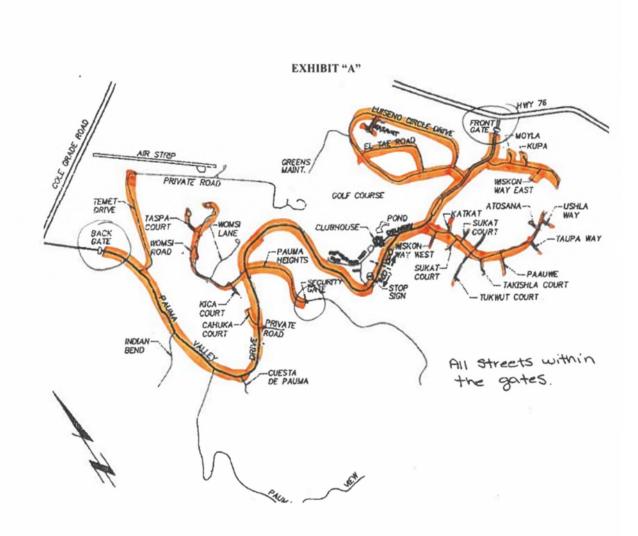

ABSENT:

ABSTAINED:

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the official seal of Pauma Valley Community Services District on this 28th day of May 2024.

Larry Curtis, Secretary

Exhibit "B"

Pauma Valley Community Services District Gate Access Policies and Procedures

05/28/2024

GATE ACCESS POLICIES AND PROCEDURES Amendment Date: (Pauma Valley Country Club Estates)

ARTICLE 1 GENERAL PROVISIONS

- I. Introduction: Under California Government Code statutory authority, the Pauma Valley Community Services District ("PVCSD" or "District") is authorized to provide a variety of services, including gate access management, security patrol services, and monitoring ingress and egress from the Pauma Valley Country Club Estates ("PVCCE"). (See map attached hereto as Exhibit "A" and incorporated by reference.) It is PVCSD's intent to establish policies and procedures that will be convenient for the public and contribute to the orderly conduct of business regarding gate access for the PVCCE.
- II. Purpose: The purpose of these Gate Access Policies and Procedures ("Policies and Procedures") is to set forth certain policies and procedures by which the functions of the District are carried out. Other District policies and procedures related to gate access may be set forth in specific rules, regulations, resolutions, or policies of the District, whether or not included as part of this document.
- III. Definitions: Except as otherwise herein defined, the following terms used in these Policies and Procedures shall have the meanings set forth below:
 - Authorized Individual means a Resident of the PVCCE, the PVRA, and the PVCC. a.
 - b. Back Gate means the entrance to the PVCCE located on Pauma Valley drive closest to Cole Grade Road.
 - Commercial Activity means conduct that requires a Use Permit. Commercial c. Activity includes long-term rentals of Resident properties and the ongoing activities and events and of PVCC.
 - d. District or PVCSD means the Pauma Valley Community Services District
 - Gate Attendant means a person employed by PVCSD that works at a Gatehouse. e.

- f. <u>Gatehouse</u> means the Gate Attendant staff building located at the Main Gate.
- g. <u>Guest Lane</u> means the left ingress lane at the Main Gate closest to the Gatehouse.
- h. <u>Main Gate</u> means the entrance to the PVCCE located off Highway 76.
- i. <u>Not in Good Standing</u> means a person having delinquent dues or fees owed to the District. Those persons who do not meet the definition of "Not in Good Standing" shall be deemed to be in "Good Standing".
- j. <u>Pass</u> means an official PVCSD document, displayed on the dashboard of the vehicle (if a printed pass), that grants access within the gates of PVCCE for a specific period of time.
- k. <u>Pass Scanner</u> means the scanner located at the Back Gate.
- 1. <u>Pauma Heights Gate</u> means the entrance to the PVCCE located directly off Pauma Heights Road.
- m. <u>PVCC</u> means the Pauma Valley Country Club.
- n. <u>PVCCE</u> means the Pauma Valley Country Club Estates.
- o. <u>PVCSD</u> or <u>District</u> means the Pauma Valley Community Services District.
- p. <u>PVRA</u> means the Pauma Valley Roadway Association.
- q. <u>Resident</u> means a PVCCE homeowner or individual(s) authorized to reside in or live on a PVCCE homeowner's property.
- r. <u>RFID Transponder</u> means a Radio Frequency ID tag for gate access issued by PVCSD.
- s. <u>Roadway</u> means the PVRA roads and streets, as depicted on Exhibit "A".
- t. <u>Security Patrol Officer</u> means an employee of PVCSD, or his or her designee, authorized to affect the safety and security of property and persons within the PVCSD service area.
- u. <u>Service Persons</u> means those individuals or entities providing commercial or personal services to Residents or Guests of PVCCE, PVRA, PVCSD, or PVCC.
- v. <u>Signage</u> means any printed information placed or posted on any Roadway, adjacent areas or curbs.
- w. <u>Street Legal</u> refers to vehicles with current licenses and registration documentation.

- x. <u>Use Permit</u> means a permit or license that is required to be issued by an authority having jurisdiction, prior to the commencement of activity that requires such permit or license.
- y. <u>Written Authorization</u> means a properly displayed printed pass, digital pass, active RFID, or an authorization letter from the PVCSD management team.

ARTICLE 2 RESPONSIBILITIES

- I. <u>Gate Attendants:</u> PVCSD shall provide Gate Attendants at the Main Gate to monitor alarm events (e.g., for Wastewater Treatment Plant failures, lift station failures, power outage failures, etc.); take incoming calls; monitor police and emergency radio traffic; and provide visitor management services to control ingress into PVCCE and egress out of PVCCE, in accordance with these Policies and Procedures.
- II. <u>Security Patrol Officers:</u> PVCSD shall provide Security Patrol Officers, with vehicles labeled as Security vehicles, to patrol its areas of responsibility (including PVCCE), respond to Gatehouse-dispatched events, provide emergency assistance to PVCCE Residents and guests, monitor access of the PVCCE community, and investigate breaches of these Policies and Procedures.
- III. <u>Passes:</u> PVCSD shall provide for the issuance of Passes, as defined herein, to those entitled to receive them, upon presentation of necessary documents. Individuals seeking an RFID tag or designation as a recognized contractor at a gatehouse will be referred to the PVCSD office.
- IV. <u>Gatehouse Equipment</u>: PVCSD shall be responsible for maintaining gatehouse equipment, inclusive of rolling gates, barrier arms, and all control systems required for their proper operation.

ARTICLE 3 ROADWAY USAGE WITHIN PVCCE

- I. <u>Drivers</u>: Drivers of motorized vehicles, except golf carts, must hold a valid driver's license, registration, and proof of insurance to drive within the gates of PVCCE.
- II. <u>Recreational Activities</u>: Any recreational activities which present a potential safety hazard, as reasonably determined by PVCSD, will be logged and reported to the proper authorities.
- III. <u>Traffic Control Signs</u>: Drivers of vehicles on any Roadway within the District are requested to observe and adhere to traffic control signs for the overall safety of the public.
- IV. <u>Conformity</u>: Drivers and their vehicles will be reported to the proper authorities by the District if they are not in conformity with the California Vehicle Code.

V. <u>Authorized Vehicles</u>: Excluding golf carts, use of vehicles that are not Street Legal in California, such as motorized skateboards and motorized dirt bikes, will be reported to the PVRA, and if necessary, to the proper authorities by PVCSD personnel.

ARTICLE 4 WRITTEN AUTHORIZATION

I. <u>Written Authorization</u>: There shall be no access to the PVCCE without PVCSD-issued Written Authorization. Visitor Passes must be current and displayed on the dashboard of the vehicle. RFIDs must be active to be classified as acceptable Written Authorization. Without PVCSD issued Written Authorization, vehicles will be logged and reported to the proper authorities.

ARTICLE 5 GATE ACCESS

- I. <u>Policy Inquiries</u>: Inquiries regarding Gate Access policies and RFID Transponders, shall be directed to the PVCSD offices or website at <u>www.paumavalleycsd.com</u>.
- II. <u>Gate Attendants and Security Patrol Officers</u>: Gate Attendants and Security Patrol Officers are authorized to request drivers' licenses of those seeking gate access.
- III. <u>Good Standing Status</u>: Individuals who are Not in Good Standing with the PVCSD may not be permitted to obtain and/or utilize RFID Transponders. Said individuals must request a Visitor Pass until their Good Standing status is restored.

ARTICLE 6 PASSES

- I. <u>Gate Access Passes</u>: A Pass to access PVCEE issued by the District can be electronically or manually generated, and will be in the form of either a Guest Pass or a Service Pass, as defined by this Article. Those wishing to enter the PVCCE without an RFID Transponder or without a Pass must register with a Gate Attendant to receive a Pass. Individuals generating an electronic Pass on their own computer may enter through the Back Gate (using the Pass Scanner) or through the Guest Lane of the Main Gate, where their Pass will be scanned by the Gate Attendant. Categories of Passes include:
 - a. An <u>Electronic Pass</u> is one generated through an authorized individual's account in the gate access system. It can also be created by a Gate Attendant, thus enabling the individual named on such Pass to retrieve, print, and utilize it. Individuals authorized to create an Electronic Pass can do so only if said individual is in Good Standing with PVCSD. An Electronic Pass is valid only for the date(s) indicated on said Pass.
 - b. A <u>Visitor Pass</u>, generated by a Gate Attendant, is for a guest of an Authorized Individual, and is used only if the Authorized Individual has advised the Gate Attendant of the guest's arrival, or responds to the Gate Attendant's phone call

inquiring about the guest seeking entrance. A Guest Pass is valid for use by the party named on the Pass and only for the date(s) indicated. All Guests who enter PVCCE will be subject to the Policies and Procedures listed herein, unless otherwise superseded by an additional Ordinance or Resolution of the PVCSD.

- c. A <u>Service Pass</u>, generated by a Gate Attendant, is for a Service Person of an Authorized Individual, and is issued only if the Authorized Individual has advised the Gate Attendant of the Service Person's arrival, or responds to the Gate Attendant's phone call inquiring about a Service Person seeking entrance. A Service Pass is valid only for use by the party named on the Pass and only for the date(s) indicated. All Service Persons who enter PVCCE will be subject to the Policies and Procedures listed herein, unless otherwise superseded by an additional Ordinance or Resolution of the PVCSD.
- II. <u>Visibility</u>: Printed Passes must be clearly visible/readable on the vehicle's dashboard at all times while the vehicle is entering a PVCCE gate or driving on or parked on a PVCEE Roadway.

ARTICLE 7 VISITORS

- I. <u>Notification</u>: Residents, agents, PVCC members and PVCC staff must notify a Gate Attendant of the name and arrival time of a visitor requiring a Pass. In the absence of such notification, no individual will be admitted unless the Gate Attendant is immediately able to contact the individual requesting admission.
- II. <u>Guest Pass</u>: Upon approved access, the Gate Attendant will issue a Guest Pass, as provided for in Article 6, valid for up to seven (7) days unless otherwise specifically authorized by PVCSD management for a longer duration, and will record appropriate information thereon. When issued, all Passes are specific to the individual named on the Pass.

ARTICLE 8 REAL ESTATE ACTIVITY

- I. <u>Real Estate Agents/Brokers/Appraisers</u>: Real estate agents, brokers and appraisers who are not Residents or PVCC members will be issued a Guest Pass at the Main Gate after presenting identification and indicating the property to be visited. Individuals inquiring about real estate within PVCCE will not be admitted unless accompanied by a real estate agent, broker, or appraiser.
- II. <u>Open House:</u> A Resident, agent, or real estate salesperson must notify the Gate Attendant on duty of the name(s) and arrival time of the visitors requiring a Pass for access. Absent such notification, the visitors will not be admitted. A Resident, agent or real estate salesperson must abide by all Policies and Procedures herein. Open house Signage shall not be permitted near, or adjacent to PVCCE access gates.

ARTICLE 9 PROPERTY USE PERMITS

- I. <u>Commercial Activity</u>: Gate Attendants shall not admit any person, and Security Officers shall not permit any person to use any Roadway to access a property for Commercial Activity, unless Written Authorization to do so is issued by PVCSD.
- II. <u>Applicable Permits:</u> Each Resident shall be responsible for obtaining applicable Use Permits from the PVRA.
- III. <u>Estate Sales/Garage Sales/Yard Sales:</u> Residents planning to host an estate sale, garage sale or yard sale, where participation is invited from individuals not residing within PVCCE, must apply to the PVRA for applicable authorization.
- IV. <u>Visitor Notification</u>: A Resident or agent must notify the Gate Attendant on duty of the name and arrival time of any visitor who will require a Pass for access to the PVCCE. Individuals requesting admittance to attend a permitted activity must be on an approved list and will be issued a Pass for the duration of one day only and for the single destination indicated on the Pass.

ARTICLE 10 UNATTENDED GATES

I. <u>Access</u>: Access at unmanned gates without a Gate Attendant present will be enabled by RFID Transponders or by direct communication with the Gate Attendant on duty at the Main Gate. Unmanned gates are equipped with video and two-way voice communication. Vehicles attempting access at an unmanned gate without a RFID Transponder, or an electronic Pass will not be admitted and must enter through the Main Gate.

ARTICLE 11 EMERGENCY

I. <u>Emergency Vehicles</u>: California Highway Patrol, San Diego County Sheriff, Cal Fire, EMTs, ambulance service, and similar emergency vehicles shall receive immediate access at any PVCCE gate, at any time.

ARTICLE 12 VIOLATIONS

- I. <u>Notices of Violation:</u>
 - a. <u>NOV</u>: A Notice of Violation ("NOV") is a citation issued by PVCSD for a violation of these Gate Access Policy and Procedures. The cause of the violation shall be set forth in writing and mailed or otherwise personally provided to the individual cited in the NOV. Property owners will ultimately be held responsible for the actions of their guests, visitors, tenants, Service Persons, and family members, and will be

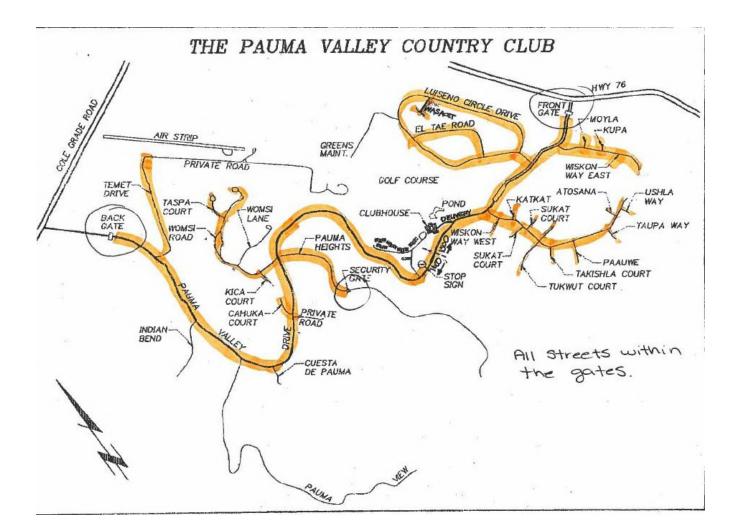

responsible for penalty assessments associated with the NOV.

- b. <u>Appeals</u>: Any person issued an NOV may appeal the NOV or the penalties associated with the NOV to the PVCSD General Manager within thirty (30) days of the issuance date of the NOV. The General Manager shall review the evidence, including any input received from the appellant, and shall issue a written decision on the appeal and send a copy of the decision to the appellant. The General Manager's decision may be appealed to the PVCSD Board of Directors within thirty (30) days of the date of the General Manager's written determination. The PVCSD Board of Directors shall consider the matter during an open session, after providing at least ten (10) calendar days' written notice of the meeting to the appellant. The appellant shall be entitled to present evidence at the PVCSD Board meeting. The Board's decision on the matter, which may be accompanied by written findings or findings described in the Board meeting minutes, shall be conclusive of the appellant's administrative appeal rights to PVCSD.
- II. <u>Citable NOV Offenses</u>: Citable NOV offenses include, but may not be limited to:
 - a. tailgating through gate access barrier arms
 - b. barrier arm contact and/or damage
 - c. gate contact and/or damage
 - d. traffic control Signage or device damage
 - e. damage to any miscellaneous infrastructure of the gate systems
 - f. Pass violations; and/or
 - g. illegal ingress to or egress from PVCCE.
- III. <u>Penalties</u>. For any violation of these Policies and Procedures, PVCSD may assess monetary penalties or revoke RFID access to the gates, or both, as follows:
 - a. <u>Monetary Penalties</u>: PVCSD may impose monetary penalty assessments for violations of these Policies and Procedures as follows:
 - i. 1st violation= Warning
 - ii. 2nd violation= \$150
 - iii. 3rd or more violations= \$350

The PVCSD Board of Directors may modify the above amounts, by Resolution, as the Board deems advisable. The above monetary penalties are in addition to the true cost of any damage to the PVCSD gate and barrier arm system, as described in Section IV (Damages) of this Article.

- b. <u>RFID Privileges</u>. PVCSD may revoke or suspend RFID gate access privileges for anyone other than Residents seeking access to their residence or to PVCC, or to a PVCC member seeking access to PVCC.
- IV. <u>Damages</u>: Damages to the PVCCE gate and/or barrier arm access system will be billed to the party responsible (e.g., Resident or Service Person, as applicable) for said damage on an at-cost (plus labor) basis; however, consistent with Section I of this Article, property owners will ultimately be held responsible for the actions of their guests, visitors, tenants, Service Persons, and family members. Failure to pay any such damages, or any unpaid monetary assessment, may warrant PVCSD's application to a court of law or to the County Tax Collector's office for collection, which PVCSD staff is authorized to pursue at its discretion. Any damages to the PVCSD gate and barrier arm infrastructure or system will be billed in addition to any monetary penalty associated with an NOV, as described in Section III(a) (Monetary Penalty) of this Article.
